**Restoring the Burnt Child** William

Kloefkorn, 2003-01-01 Restoring the Burnt Child is the second volume in William Kloefkorn's four part memoir which when completed will cover the four elements water fire earth and air Negotiating the no man's land between ages nine and thirteen this memoir of a small town boy's life in 1940s Kansas continues the story William Kloefkorn began in his much loved volume This Death by Drowning With characteristic humor and in prose as lyrical as his best poetry Kloefkorn describes the unsentimental education he received at the hands of the denizens of Urie's Barber Shop and the Rexall Drugstore and at the knees of the true characters who made up his family From the firefly stunt that nearly burns down his home to the distant firestorms of World War II fire holds an endless range of subtle and surprising lessons for the boy whose impressions Kloefkorn conveys with the immediacy naiveté and poignancy of youth and reconsiders with the wisdom and distance of age By turns charming and resolute funny and moving Restoring the Burnt Child powerfully brings to life the lost unforgettable world of a boy and a poet coming of age in midcentury middle America
