Me, Myself & I Lonnie Payne, 2025-06-30 Looking back now even I think my plan was nothing short of a pipe dream wishful thinking at best an ad hoc solution to a situation that is known for making grown men cry Figuratively speaking I was between a rock and a hard place in the worst kind of way Literally I was locked in a cage and the only exit was to cross the Mexican border due south and spend the rest of my life in a country commonly referred to as the drug cartel capital of the world The title of drug cartel capital of the world is of course hyperbole However things like assassinations kidnappings beheadings and news flashes of quiet little cities being ripped to shreds from stray bullets that were meant to eliminate the competition as rivaling drug cartels battle it out in broad daylight in a barrage of turf wars that seem to appear out of nowhere this is reality for the estimated 110 million people living below our southern border Now would probably be a good time to point out a few extenuating circumstances like the fact that I didn't speak Spanish I had less than 1 000 to my name absolutely no papers and no form of identification whatsoever and last but not least my name would soon be added to the federal marshal's list of most wanted criminals I would be at the very bottom of the list but still on it For the life of me I still don't understand why my plan sounded like a good idea back then and as far as how I mustered up the courage to set this plan into motion is still a mystery

Mojada Keyla Sanders, 2023-09-08 As a young girl growing up in a small town in Honduras Keyla Sanders imagined her own version of the American Dream The reality involved dangers suffering and sacrifice during an overland journey through Guatemala and Mexico including arrests deportations and kidnapping For the first time there is a first person account from an undocumented immigrant from the Northern Triangle countries of Central America Keyla tells what inspired her to embark on a dangerous journey what the journey was like and the years of struggle she endured after attempting to navigate the U S

immigration system She uses her own experience to demonstrate how this broken system is as reliant on circumstance and luck as any lottery She recounts the struggle of an undocumented immigrant while also dealing with high school young adulthood and eventually having her own children Keyla s story adds the voice of an undocumented immigrant to the conversation demonstrating that the hardships expended in achieving one s American Dream are what unite all those striving for a better life regardless of where they were born or how they got here
