The Business Man Edgar Allan Poe, 2017-04 The Business Man is a short story by Edgar Allan Poe about a businessman boasting of his accomplishments The story questions the concept of a self made man This short story written by Poe looks through the perspective of a businessman The narrator of this story Peter Proffit considers himself an upstanding businessman who is a stickler for order He curses intellectual types whom he calls geniuses because he believes that they are wasting their time in their respective fields He holds them in great disdain because they never want to follow rules blindly and instead analyze things and read into rules too deeply It is for these reasons that the narrator believes that they cannot be turned into businessmen
