**Bulletin** City Club of Chicago, 1910 Consists of addresses and discussions before the Club     Civil War Issues in  
Philadelphia, 1856-1865 William Dusinger, 2017-11-15 Philadelphia before the Confederate bombardment of Fort Sumter  
was not simply a Northern city Unlike proslavery Washington but also unlike antislavery Boston Philadelphia lay in the  
Northern border area where mixed sympathies led to divided loyalties and to frequent convulsions over the great issues that  
preceded the war In *Civil War Issues in Philadelphia 1856 1865* author William Dusinger examines three traditional  
interpretations of the war and shows how each has to be modified to fit Philadelphia's experience In Part I he portrays the  
fundamental Philadelphia attitudes as they appeared in 1856 and the two main controversies the fugitive slave question and  
the territorial issue as they developed until 1858 Part II is devoted to the John Brown affair and the secession crisis Part III  
analyzes wartime issues the treatment of dissenters the Negro question and the recruitment of short term soldiers when  
Confederate armies approached Pennsylvania From this investigation emerges a vivid portrait of the North's second greatest  
city and its leading citizens racist sympathizers with the South cautious conciliators firm conservatives unconstrained anti
