In the foreground, a small, dark-colored boat is visible, partially obscured by the text. The overall mood is peaceful and contemplative.

The Calm Before the Storm Delanie L. Stephenson, 2013-06-26 At the age of thirty three Delanie Stephenson was enjoying life with her husband two kids and a teaching job she loved Blessings abounded and Delanie thanked God for each one But it only took a single instant to change it all A terrible headache struck her on June 6 2012 and no amount of ibuprofen could take care of it Delanie had a stroke similar to the stroke that Delanie s twenty nine year old sister had suffered a year before What were the odds of two sisters suffering the same ailment Delanie s entire family was in a state of shock and the news became worse when the doctors were unsure whether Delanie would walk or talk again In her memoir Delanie describes that summer of 2012 in detail from those first harried days in the ICU to the tedious physical therapy as she slowly began to crawl her way back to recovery Not only did Delanie walk and talk again she emerged from her ordeal even stronger and decided that she would never again take life for granted Filled with intimate details and the amazing resilience of the human spirit
