Frey,2004-06-01 Margery was sleeping when we returned and we sat down beside the bed and read the paper we had bought at the corner stand Nyoda gave a smothered exclamation as she read and pointed to an article which said that both Margery Anderson s father and uncle were scouring the country for her and the uncle was accusing the father of having spirited her away The paper said that private detectives were trying to trace her Then it was that we remembered the mysterious reappearance of the Frog We hadn t much doubt that he was a detective But if he were a detective why had he attempted to steal the Glow worm The Camp Fire Girls Go Motoring - Along the Road That Leads the Way Hildegard G. Frey,2014-11-11 the seat and clung to Sahwah s arm She was sure it was her uncle after her and then I had to explain that the Frog had been following us all the way from Toledo before we had taken her in We had expected to make Ligonier in a very short time and reach South Bend before night but as things turned out we never got there at all Somewhere between Ligonier and Goshen at a little town called Wellsville the poor Glow worm must have been taken with awful pains in its insides for it began to pant and gasp like a creature in misery and utter little squeals of distress There was nothing left to do but hunt up the one garage in town which fortunately had a repair shop in connection with it and get someone to look at the engine I don t pretend to know anything about the machinery of the car so I haven t the slightest idea what was the matter but the man talked knowingly about magnetos and carburetors and said he could have the trouble fixed by eight o clock in the evening We were vexed that it should take so long because we had expected to make South Bend early

in the evening but there was no help for it so we repaired to the hotel next door hotel by courtesy for it was nothing more than a wayside inn for supper It was raining a fine drizzle and as we did not care to walk around in it after supper we sat in the stuffy parlor and tried to pass away the hours until the Glow worm would be cured of its sickness and we could resume our journey The carpet on the floor was a mixture of hideous red and pink roses on a green background I can see that carpet yet It was a Brussels and Sahwah kept referring to it as one of the Belgian Atrocities There was a larger room opening out of the parlor in which we sat a sort of general reception and smoking room combined

**The Camp Fire Girls Go Motoring; Or, Along the Road That Leads the Way** Hildegard G. Frey, 2014-07-20 It is at Nyoda's bidding that I am writing the story of our automobile trip last September She declared it was really too good to keep to ourselves and as I was official reporter of the Winnebagos anyway it was no more nor less than my solemn duty Sahwah says that the only thing which was lacking about our adventures was that we didn't have a ride in a patrol wagon but then Sahwah always did incline to the spectacular And the whole train of events hinged on a commonplace circumstance which is in itself hardly worth recording namely that tan khaki was all the rage for outing suits last summer But then many an empire has fallen for a still slighter cause The night after we came home from Onoway House and shortly before we started on that never to be forgotten trip I was sitting at the window watching the evening stars come out one after another That line of Longfellow's came into my mind
