the inaugural Conference of the Cormier Center of International Economics at Bishop's University March 20-21 1990

Prospects of a U.S.-Chile Free Trade Agreement Dean C. Alexander, Kent S. Foster, 2023-07-24 This unique book addresses recent strides at trade regionalism in the Western Hemisphere. In addition, it provides a detailed discussion of the prospects, potential content, and likely impact of a U.S.-Chile Free Trade Agreement. Such an accord is very likely. In February 1994, the Clinton Administration announced that negotiations with Chile were expected to begin during the Spring of 1994, with completion at the end of 1995. Prior to focusing on U.S.-Chile trade, the book details contemporary efforts at trade regionalism in the Western Hemisphere, including the U.S.-Canada Free Trade Agreement, the Caribbean Basin Initiative, the Enterprise for the Americas Initiative, the Andean Trade Preference Act, the Latin American Integration Association, the Caribbean Community Common Market, the Andean Pact, the Central American Common Market, the Southern Cone Common Market, Mercosur, and Chilean bilateral trade and investment arrangements. Next, a synopsis of recent U.S.-Chilean trade and investment relations, as well as the impetus for a U.S.-Chile Free Trade Agreement, are provided. In addition, the book offers an empirical assessment of U.S.-Chilean trade and investment relations. It also describes the various issues and topics that are likely to be covered in any U.S.-Chile Free Trade Agreement. Furthermore, particular U.S. and Chilean market sectors that might be affected by such an agreement are detailed. The conclusion is that a U.S.-Chile Free Trade Agreement would continue previous attempts at trade regionalism in the Western Hemisphere. An annex provides an extensive directory of key government and business contacts in the U.S. and Chile, facilitating trade and investment opportunities for individuals and firms.

U.S.-Canadian Agricultural Trade Challenges Kristen Allen, Katie Macmillan, 2016-03-17 The Free Trade Agreement between the United States and Canada was established in 1988 despite the U.S.'s controversial proposal to eliminate trade-distorting government subsidies to agriculture. Originally published in 1988, this volume brings together a collection of essays which identify and debate the difficulties associated with agricultural trade between the U.S. and Canada and explore common interests in the resolution of global agricultural issues. This title is a valuable resource for students interested in environmental studies and international agricultural relations. *The Canada-U.S. Free Trade Agreement* Daniel E. Nolle, 1990

Prospects and Challenges of Free Trade Agreements Doren Chadee, Banjo Roxas, Tim Rogmans, 2014-11-26 This book assesses the effectiveness of free trade agreements (FTAs) in unlocking international business opportunities in member states of the Gulf Cooperation Council (GCC). It takes an institutional perspective in explaining the existence and effects of non-tariff barriers and how FTAs can address these barriers to attract foreign investors. **North America Free Trade Agreement (NAFTA) Handbook: Framework, Implementation, Problems** IBP USA, 2013-08 Bangladesh Insolvency Bankruptcy Laws and Regulations Handbook Strategic Information and Basic Laws **U.S. Employment Effects of a North American Free Trade Agreement** Gregory K. Schoepfle, 1992 **The Anti-Dumping Agreement and Developing Countries** Aradhna Aggarwal, 2006-10-20 In the era of globalization, trade policy has become a key

development tool and expanding exports a major policy objective for developing countries However pressures for protectionism are threatening to reverse the gains The surge of anti dumping practices in the 1990s in many countries have triggered an intense debate on the anti dumping agreement and its implementation This volume analyses the importance of anti dumping from a developing country s perspective The author investigates the use of anti dumping in a comparative framework and reviews the genesis and evolution of the Agreement and its legal provisions She further discusses the economic and non economic justifications of anti dumping use and empirically analyses the macro economic factors motivating countries to use anti dumping Finally she examines the wide ranging proposals to reform the WTO anti dumping code The analysis brings out a bias against developing countries and stresses the need for fundamental reform of current anti dumping rules The author also reflects on plausible approaches to refine existing provisions and explores the possibility of reform by including a Public Interest Test She suggests updating the special and differential treatment provisions to remedy existing imbalances

Making Free Trade Work Peter Morici,1990 Japan's Relations with North America Institute for Research on Public Policy,North American Institute,1990 These proceedings include papers on Japan s World Role in the 1990s the economic dimensions of Japan and North America and Japan and North America as Partners in the Pacific Community It also provides the concluding remarks

The Harper Era in Canadian Foreign Policy Adam Chapnick,Christopher J. Kukucha,2016-07-28 Canada s back announced the victorious Liberal Party in October 2015 After almost ten years of Conservative Party rule the Harper era in Canadian foreign policy was over suggesting a return to the priorities of gentler more cooperative Liberal governments But was the Harper era really so different And if so why This comprehensive analysis of Canada s foreign policy during the Harper years addresses these very questions The chapters written by leading scholars and analysts of Canadian politics provide an excellent overview of foreign policy in a number of different policy areas They also offer differing interpretations as to whether the transition from a minority to majority government in 2011 shaped the way that the Harper Conservatives conceived of developed and implemented international policy The analysis is gripping and the findings surprising particularly the contention that the government s shift to majority status was far less important to foreign policy under Harper than it had been under previous governments The reasons why reveal important insights into the Harper decade of foreign policy

Media, Structures, and Power Robert E. Babe,2011-01-01 Containing introductions and contributions by other prominent scholars this volume situates Babe s work within contemporary scholarship and underscores the extent to which he is one of Canada s most prescient thinkers

Immigration-related Issues in the North American Free Trade Agreement United States. Congress. House. Committee on the Judiciary. Subcommittee on International Law, Immigration, and Refugees,1994
