The Canadian Summer The Memoirs Of James Alan Roberts:

A Thoroughly Canadian General Paul Douglas Dickson, 2007-01-01 General H D G Harry Crerar 1888 1965 was involved in or directly responsible for many of the defining moments of Canadian military history in the twentieth century In the First World War Crerar was nearly killed at the second battle of Ypres was a gunner who helped to secure victory at Vimy Ridge and was a senior staff officer during the pivotal battles of the last Hundred Days During the Second World War he occupied and often defined the Canadian army's senior staff and operational appointments including his tenure as commander of First Canadian Army through the northwest European campaign Despite his pivotal role in shaping the Canadian army however General Crerar has been long overlooked as a subject of biography In A Thoroughly Canadian General Paul Douglas Dickson examines the man and his controversial place in Canadian military history arguing that Crerar was a nationalist who saw the army as an instrument to promote Canadian identity and civic responsibility From his days as a student at the Royal Military College in Kingston to his role as primary architect of First Canadian Army the career of General H D G Crerar is thoroughly examined with a view to considering and reinforcing his place in the history of Canada and its armed forces **The**

Canadian Summer James Alan Roberts, 1981 *A Nation in Conflict* Andrew Iarocci, Jeffrey Keshen, 2016-01-27 The First and Second World Wars were two of the most momentous events of the twentieth century In Canada they claimed 110 000 lives and altered both the country's domestic life and its international position *A Nation in Conflict* is a concise comparative overview of the Canadian national experience in the two world wars that transformed the nation and its people With each chapter military historians Jeffrey A Keshen and Andrew Iarocci address Canada's contribution to the war and its consequences Integrating the latest research in military social political and gender history they examine everything from the front lines to the home front Was conscription necessary Did the conflicts change the status of Canadian women Was Canada's commitment worth the cost Written both for classroom use and for the general reader *A Nation in Conflict* is an accessible introduction to the complexities of Canada's involvement in the twentieth century's most important conflicts *The*

Generals J. L. Granatstein, 2005 Originally published in 1993 *The Generals* is a collective biography of the Canadian army's leaders in World War II and is the winner of the Dafoe Book Prize for International Relations and the UBC Medal for Canadian Biography The only book of its kind on this subject *The Generals* remains an invaluable resource for academics policy makers and anyone interested Canada's military history **Canada's Army** J.L. Granatstein, 2021-09-13 In this

revised and updated third edition one of Canada's leading historians covers the history of the Canadian military to the present day **The Fight for History** Tim Cook, 2020-09-08 NATIONAL BESTSELLER FINALIST FOR THE OTTAWA BOOK AWARDS A masterful telling of the way World War Two has been remembered forgotten and remade by Canada over seventy five years The Second World War shaped modern Canada It led to the country's emergence as a middle power on the world stage the rise of the welfare state industrialization urbanization and population growth After the war Canada increasingly

turned toward the United States in matters of trade security and popular culture which then sparked a desire to strengthen Canadian nationalism from the threat of American hegemony *The Fight for History* examines how Canadians framed and reframed the war experience over time Just as the importance of the battle of Vimy Ridge to Canadians rose fell and rose again over a 100 year period the meaning of Canada's Second World War followed a similar pattern But the Second World War's relevance to Canada led to conflict between veterans and others in society more so than in the previous war as well as a more rapid diminishment of its significance By the end of the 20th century Canada's experiences in the war were largely framed as a series of disasters Canadians seemed to want to talk only of the defeats at Hong Kong and Dieppe or the racially driven policy of the forced relocation of Japanese Canadians In the history books and media there was little discussion of Canada's crucial role in the Battle of the Atlantic the success of its armies in Italy and other parts of Europe or the massive contribution of war materials made on the home front No other victorious nation underwent this bizarre reframing of the war remaking victories into defeats *The Fight for History* is about the efforts to restore a more balanced portrait of Canada's contribution in the global conflict This is the story of how Canada has talked about the war in the past how we tried to bury it and how it was restored This is the history of a constellation of changing ideas with many historical twists and turns and a series of fascinating actors and events

Cinderella Army Terry Copp, 2007-01-01 Except for a brief period during the Rhineland battle the First Canadian Army was the smallest to serve under Eisenhower's command The Canadian component never totalled more than 185 000 of the four million Allied troops serving in Northwest Europe It is evident however that the divisions of 2nd Canadian Corps played a role disproportionate to their numbers Their contribution to operations designed to secure the channel ports and open the approaches to Antwerp together with the battles in the Rhineland place them among the most heavily committed and sorely tried divisions in the Allied armies By the end of 1944 3rd Canadian Division had suffered the highest number of casualties in 21 Army Group with 2nd Canadian Division ranking a close second In the armoured divisions 4th Canadian was at the top of the list as was 2nd Canadian Armoured Brigade among the independent tank brigades Overall Canadian casualties were 20 per cent higher than in comparable British formations This was a direct result of the much greater number of days that Canadian units were involved in close combat Jacket

Fight to the Finish Tim Cook, 2015-09-29 Winner of the 2016 Ottawa Book Award The magisterial second volume of Tim Cook's definitive account of Canadians fighting in the Second World War Historian Tim Cook displays his trademark storytelling ability in the second volume of his masterful account of Canadians in World War II Cook combines an extraordinary grasp of military strategy with a deep empathy for the soldiers on the ground at sea and in the air Whether it's a minute by minute account of a gruelling artillery battle vicious infighting among generals the scene inside a medical unit or the small details of a soldier's daily life Cook creates a compelling narrative He recounts in mesmerizing detail how the Canadian forces figured in the Allied bombing of Germany the D Day landing at Juno beach the taking of Caen and the drive south Featuring dozens of black

and white photographs and moving excerpts from letters and diaries of servicemen *Fight to the Finish* is a memorable account of Canadians who fought abroad and of the home front that was changed forever Politics of Command John Nelson Rickard, 2010-03-20 In December 1943 Lieutenant General A G L McNaughton resigned from command of the 1st Canadian Army amidst criticism of his poor generalship and of his abrasive personality Despite McNaughton's importance to the Canadian Army during the first four years of the Second World War little has been written about the man himself or the circumstances of his resignation In *The Politics of Command* the first full length study of the subject since 1969 John Nelson Rickard analyses McNaughton's performance during Exercise SPARTAN in March 1943 and assesses his relationships with key figures such as Sir Alan F Brooke Bernard Paget and Harry Crerar This detailed re-examination of McNaughton's command argues that the long accepted reasons for his relief of duty require extensive modification Based on a wide range of sources *The Politics of Command* will redefine how military historians and all Canadians look at not only Andy McNaughton but also the Canadian Army itself **Crerar's Lieutenants** Geoffrey Hayes, 2017-07-12 In 1943 General Harry Crerar penned a memorandum in which he noted that there was still much confusion as to what constitutes an Officer His words reflected the army's preoccupation with creating an ideal officer who would not only meet the immediate demands of war but also be able to conform to notions of social class and masculinity Drawing on a wide range of sources and exploring the issue of leadership through new lenses this book looks at how the army selected and trained its junior officers after 1939 to embody the new ideal It finds that these young men through the mentors they copied the correspondence they left even the songs they sang practised a temperate heroism that distinguished them from the idealized heroic visions of officership from the First World War Fascinating and highly original this book sheds new light on the challenges many junior officers faced during the Second World War not only on the battlefield but from Canadians' often conflicted views about social class and gender Conduct Unbecoming Howard Margolian, 2000-01-01 More than 150 Canadian soldiers were brutally murdered in 1944 after capture by the 12th SS Division Hitler Youth Despite months of investigation by Allied courts however only two senior officers of the 12th SS were ever tried for war crimes *Corps Commanders* Douglas E. Delaney, 2012-01-01 The five British and Canadian generals depicted in *Corps Commanders* were a surprisingly eclectic lot one a consummate actor one a quiet gentleman one a master bureaucrat one a brainy sort with little will and the last a brain with will to spare And yet they all fit readily into British Commonwealth armies and fought their corps in similar fashion All three Canadians controlled British formations and served under British army commanders and the two Britons worked for and led Canadians as well Such inter-army adjustments were relatively simple because they all spoke the same language a common method for solving military problems and communicating solutions Like all senior commanders in the British Commonwealth they learned the language of the staff colleges at Camberley and Quetta and so did the staff officers that served them This allowed a gunner from Montreal to understand a guardsman from London with ease no small advantage when coordinating coalition battles

involving tens of thousands of troops In probing how these corps commanders fought Douglas E Delaney has produced an invaluable study for anyone interested in coalition warfare interoperability or how men managed large formations in war

Monty and the Canadian Army John A. English,2021-10-01 General Bernard Law Montgomery affectionately known as Monty exerted an influence on the Canadian Army more lasting than that of any other Second World War commander In 1942 he assumed responsibility for the exercise and training of Canadian formations in England and by the end of the war Canada's field army was second to none in the practical exercise of combined arms In *Monty and the Canadian Army* John A English analyses the way Montgomery's operational influence continued to permeate the Canadian Army For years the Canadian Army remained a highly professional force largely because it was commanded at almost every lower level by Monty men steeped in the Montgomery method The era of the Canadian Army headed by such men ceased with the integration and unification of Canada's armed forces in 1964 The embrace of Montgomery by Canadian soldiers stands in marked contrast to largely negative perceptions held by Americans *Monty and the Canadian Army* aims to correct such perceptions which are mostly superficial and more often than not wrong and addresses the anomaly of how this gifted general one of the greatest field commanders of the Second World War managed to win over other North American troops [The Long Left Flank](#) Jeffery Williams,1988-09-26 When in August 1944 the Allies broke out of Normandy the world's attention became fixed on the dramatic British and American armoured thrusts into the Rhine The war in Europe seemed all but over Far to the left along the flank of the Allied Expeditionary Force almost unnoticed a battle was beginning on whose outcome hung not only victory but the possibility of disaster Under strength neglected by Montgomery and denied by Eisenhower the supposed which he had promised First Canadian Army paid an appalling price in casualties to clear the Channel coast and open up the great port of Antwerp Commanded by General Harry Crerar the army contained not only Canadians but for most of the campaign more British troops than the Eighth Army at Alamein Poles Americans Dutch Belgians Czechs and French served in it and were partnered in all their operations by the equally international No 84 Group RAF Their hard won success in clearing the banks of the Scheldt and in capturing Walcheren Island was followed four months later by victory in the Rhineland There with almost every one of Montgomery's British Divisions under command they smashed the best of what remained of the German Army and with it Hitler's last hope of defending the Rhine The way was open for the Allies into the heart of the Reich In the war's final phase most of Crerar's British divisions were replaced with by Canadian formations newly arrived from their arduous campaign in Italy Striking north and west after crossing the Rhine they liberated Holland and drove east ward into the heavily defended area of Germany At war's end they had reached the Weser and were closing on the great naval bases of Emden and Wilhelmshaven Jeffery Williams won wide acclaim for his definitive biography *Viscount Byng of Vimy* He brings the same assured touch to this lively and fast moving account of a crucial aspect of the battle for North West Europe which has hitherto been largely neglected by historians [The Canadian Army & Normandy Campaign](#) John A. English,2009-08-18

Honest reappraisal of the Canadian experience in Normandy Special focus on the struggle to close the Falaise Gap Relies on archival records including Bernard Montgomery s personal correspondence John A English presents a detailed examination of the role of the Canadian Army in Normandy from the D Day landings in June 1944 through the closing of the Falaise Gap in August **International Journal** ,1981 □□□□□□□□□□□□□□□□□□□□ □□□□. □□□□□□□□□□□□,1900 **Canadiana** ,1982
The Canadian Historical Review ,1982 Includes section Recent publications relating to Canada **America, History and Life** ,1995 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide

When people should go to the book stores, search launch by shop, shelf by shelf, it is truly problematic. This is why we give the books compilations in this website. It will enormously ease you to see guide **The Canadian Summer The Memoirs Of James Alan Roberts** as you such as.

By searching the title, publisher, or authors of guide you essentially want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best place within net connections.
