Sky Killers:

Man-Killers of the Air L. Ron Hubbard, 2009-04-15 Take a touch of Charles Lindbergh mix in a dash of Evel Knievel throw in one man killing cat and you've got a recipe for a rip roaring adventure featuring the high flying hard living Smoke Burnham There's not a dare Smoke won't take and there's not a wager he won't make Now he's betting his life that he can fly his plane Super Comet with his pet cheetah Patty coming along for the ride across the mountains and jungles of South America to a prize winning payday All he has to do is out race the competition out maneuver a saboteur and make out with his girl who's determined to bring him down to earth One thing you can count on in the air in a fight or in his girlfriend's arms he's a man who likes to turn up the heat Because where there's Smoke there's fire In 1931 as a student at George Washington University Hubbard founded the college Glider Club and within a few months a respected columnist said he is recognized as one of the outstanding glider pilots in the country Later he wrote as the aviation correspondent for the prestigious flying magazine Sportsman Pilot His combined writing and flying expertise comprised the perfect recipe to give stories like Man Killers of the Air their authentic flavor Great adventure to keep you on the edge of your seat Gather.com

Perilous Skies Don Pendleton, 2013-02-01 STONY MAN Only a few know of their existence but the lives of millions lie in their hands An elite covert counterterrorist team acting under the President Stony Man comprises the best cyber technicians and military warriors in the world Their goal is to fight terror anywhere and anytime even if it means sacrificing their lives in the process PERILOUS SKIES When billion dollar stealth technology drops to bargain prices governments and drug cartels around the world want in on the action Suddenly hotspots are cropping up everywhere and even the United States can feel its military security slipping away No country is safe unless Stony Man's command can find a way to destroy the technology Determined to stop war from erupting Able Team is sent to find the brain behind the stealth tech while Phoenix Force infiltrates China to destroy the manufacturing plant But time is of the essence And the clock is already counting down

Spy Killer L. Ron Hubbard, 2008-09-08 American Sailor Kurt Reid is a hothead and a hard case a man who hits first and asks questions later As scrappy and rough around the edges as Jimmy Cagney it's no wonder that when the ship's captain turns up dead it's Reid who takes the rap Falsefully accused and under the gun Reid jumps ship and vanishes into Shanghai only to get caught in a web of intrigue betrayal and murder In a world where nothing is what it seems and everything is for sale he's soon out of his depth drawn into a spy game in which the winner takes all and the loser takes a knife to the back Will Reid live up to his reputation as the Spy Killer He'll have to learn the rules fast because with players like the sexy White Russian secret agent Varinka Savischna in the hunt the game is about to turn as seductive as it is sinister As a young man Hubbard visited pre Communist China three times where his closest friend headed up British intelligence In a land where communists nationalists war lords and foreign adventurers schemed for control Hubbard gained a unique insight into the intelligence operations and spy craft in the region a knowledge that informs stories like Spy Killer Vividly written super fast

paced Ellery Queen *Extermination* Don Pendleton,2011-10-01 When Stony Man is called to battle the crisis is real and immediate Cybernetics experts run logistics from the war room of a secret facility known only to the President The commando teams of Able Team and Phoenix Force lead the ground fight consummate soldiers dedicated to protecting the innocent The world isn t aware of Stony Man but Stony Man remains vigilant guarding that fine line between hell and earth Small farming towns across America Europe and Asia have come under attack by a virulent new biochemical cocktail that induces the ravages of starvation in less than a day The group behind it promises to decimate the human population unless its twisted demands are met by government heads As this radical anti industrial group launches its deadly countdown Stony Man works feverishly to stop the horrifying plague from spreading before a global megacull leaves only a handful of people to weep for the earth **Target Acquisition** Don Pendleton,2010-10-01 Stony Man the covert action arm of the Justice Department is the highest level trump card at Presidential discretion The handpicked team of commandos and brilliant cybernetic specialists engage in the kind of last minute high difficulty and direct intervention operations that sidestep red tape and rules Stony Man s mandate get the job done With ground teams working separate missions across the globe one against jihadists fueling terror in Pakistan and another rescuing a plane filled with American hostages in the Amazon the cyber team at Stony Man connects the dots to an unfolding global nightmare At its source a megalomaniacal emir with the power and royal connections to cause international havoc He s willing to sacrifice countless innocent lives for his own twisted vengeance With ruthless efficiency Stony Man engages in all out war to stop evil at its source [Army Days](#) Stuart G.

Yates,2022-02-04 It s the early days of the American Civil War and Reuben Cole is serving as a scout in the Union Army Posted to a remote fort the Army of the Potomac under General McClellan is attempting an ambitious assault on confederate positions in the hopes of turning their flank and bringing the war to a swift end Cole is assigned to track down a ruthless bunch of raiders hell bent on killing as many of the Northern Blues as they can But when personal tragedy strikes Cole will need to take his first steps on the path that will transform him into the hardened uncompromising man he is to become and to learn the lessons that will keep him alive through the hardships that await **Incendiary Dispatch** Don

Pendleton,2012-08-07 When an embittered Norwegian vows payback for the black gold extracted from his family s territories by igniting nano thermite incendiaries strategically placed around the world the Stony Man team is sent on a do or die mission to stop this global crisis [Drawpoint](#) Don Pendleton,2009-06-01 American politics has been infiltrated by terrorist elements and something big and unprecedented is ready to launch A radical fringe group of the environmentalist movement is linked to a suspiciously well funded American communist party secretly backed by a wealthy businessman and political insider With time running out Stony Man races to stop an enemy who s armed with stolen uranium from unleashing a shock wave of violence to hijack the White House and the American way of life [The Falcon Killer](#) L. Ron Hubbard,2011-06-21

The Japanese military has turned the once thriving Chinese city of Nencheng into a reeking pile of blood and ash And now

the Japanese Rising Sun threatens to scorch the ancient and oil rich Kingdom of the Silver Lake Can the Chinese survive the onslaught Do they have a prayer The answer is about to fall out of the sky He is The Falcon Killer China s ace fighter pilot and scourge of the Japanese air force he is in fact Bill Gaylord an American orphaned and self reliant a man without a country and without fear Like William Holden he s the guy every man wants to be and every woman wants to be with Shot down over Nencheng Gaylord parachutes into the arms of the one woman who can give him reason to live and to rejoin the fight against Japan as he squares off against their top spy His prey is in his sights and catching it will change everything for The Falcon Killer As a young man Hubbard visited Manchuria where his closest friend headed up British intelligence in northern China Hubbard gained a unique insight into the intelligence operations and spy craft in the region as well as the hostile political climate between China and Japan a knowledge that informs stories like The Falcon Killer Power Grab Don Pendleton,2011-06-07 An explosion at a New York shopping mall launches an all out Stony Man effort against the new face of terror A brilliant and brutal warlord turned dictator is poised to destabilize the entire Middle East through blood politics and a series of planned attacks is about to lead to desperate chaos Original High Assault Don Pendleton,2010-04-01 A long anticipated break in intelligence puts Stony Man on a rapid fire mission to halt a massive terrorist attack in America s heartland Able Team hits the streets of the Venezuelan capital hunted by political death squads while working to sever Iran s increasingly powerful narco pipeline to the States Across the globe in Basra Phoenix Force gets betrayed and burned in the hellgrounds targeted outnumbered and outgunned with men down But Stony Man has been to hell and back many times before They don t intend to fail now War Tides Don Pendleton,2010-06-01 When the President needs immediate covert intervention for a crisis too sensitive or desperate to involve normal channels Stony Man strikes under the radar and beyond official government protocols Baptized in the fires of justice freedom and protection Stony Man stands for the highest of ideals dedication to duty and a fierce resolve to defeat those who would brutalize nations It s called FACOS Fast Attack Covert Operations Submarine and is now in the hands of an elusive and violent group knownas the Revenge of Allah This supersub capable of blisteringspeed and stealth carries a first strike nuclear payload spellinga new world of terror for America With orders to recoverthe stolen prototype or destroy it Stony Man s mission goesbeyond standard terminate with extreme prejudice Withthe nuclear armed and powered warship poised to strikeAmerica s eastern seaboard failure is not an option and neitheris compromise Stony Man must stop the show before theterrorists go live Serial Killers Joel Norris,1989-07-01 Through extensive research and interviews with five notorious serial killers author Joel Norris demonstrates that serial killers have specific biological and genetic makeups that can be identified as early as five years of age A compelling read for both the curious layman and the concerned professional Futurisk: Tales of Tomorrow algo Gaalgo,2025-06-10 What happens when the future arrives half baked pre coded and morally gray Futurisk Tales of Tomorrow is a bold collection of speculative short stories that dig deep into the cracked soil beneath tomorrow s shiny facade From

climate manipulation to identity collapse from digital gods to corporate soul harvesting each story pulls back the curtain on humanity's boldest promises and quietest failures. These aren't just predictions. They're mirrors. Told with the cool restraint of an observer and the sting of lived experience, *Futurisk* offers no answers but demands your attention. What if the risk was the future itself? Each tale in this collection stands alone but together they form a mosaic of a future that feels eerily close.

Philosophical sci fi Future society Satirical science fiction Speculative fiction Dystopian Utopian AI and ethics. The name *Futurisk* suggests both tension and choice. The future isn't fixed but stepping toward it without awareness is the greatest gamble of all. The name *Futurisk* is deliberate. The future is risky not because of machines but because of our unwillingness to confront our reflection.

Neutron Force Don Pendleton, 2014-01-15 STONY MAN For the seasoned warriors of America's most elite and covert defense unit each mission could be their last. Now a grim Presidential directive comes down hard green lighting a desperate search and destroy operation where minutes count. An unknown entity is in possession of one of the deadliest weapons known to man sounding a death knell for nations across the globe NEUTRON CANNON. It kills instantly. No heat, no noise, no radiation. Just silent invisible slaughter from ultra fast subatomic particles. The death toll mounts in a random controlled carnage that is sending a clear message of absolute power while leaving false trails and conflicting clues.

No nation can defend itself against the unilateral destructive power of a particle beam weapon. Stony Man's only option is to destroy it. But first they must find it.

Dark Star Don Pendleton, 2008-08-01 Stony Man Hidden deep within the U.S. government one special operations group is America's best chance to combat strategic terror. Covert, uncensored and answering only to the President, the cybernetic and commando teams of Stony Man understand that the impossible can be done with the right people, the right plan, a little luck and the courage to attempt what no one else dares. Skywalker A machine that defies logistics has become a grim reality. A working SSO single stage to orbit rocket or X ship can launch and land anywhere virtually unseen and unstoppable due to stealth technology and sheer velocity. Now a faceless enemy with a hidden agenda is using X ships to spread global fire and death like a tidal wave from hell. Facing a crisis of unimagined proportions Stony Man is once again tasked with the impossible: unmask the masterminds behind the attacks and take them out fast.

Serial Vigilantes of Paperback Fiction Bradley Mengel, 2009-10-21 Rough justice has often been served in the pages of serial novels notably beginning with Don Pendleton's *The Executioner* in 1969. This is the first overview of the serial vigilante genre which featured such hard boiled protagonists as Nick Carter, Mark Stone, Jake Brand and Able Team among the 130+ series that followed Pendleton's novel. Serial vigilantes repeatedly take the law into their own hands establishing and imposing their own moral standards usually by force. The book examines the connections between the serial vigilante and the pulp hero that preceded him and how the serial vigilante has influenced a variety of tough guys, private eyes, spies and cops in different media. A complete bibliography for each series is featured.

Critical Effect Don Pendleton, 2008-06-01 Stony Man Eighty miles outside the nation's capital the President's covert defense unit has its orders stop terror at its source. From the

cyber wizards at the helm to the commandos on the ground the warriors of Stony Man are united by an unbreakable bond of honor and courage where ultimate sacrifice is the price sometimes paid but never in vain Bug Spheres A NATO special ops aircraft carrying a top secret prototype goes down near the French German border In St Louis a rogue scientist unleashes an experimental pathogen on innocent victims Stony Man targets the disturbing intel and launches an offensive that stretches from Munich to America's heartland It's a worst case scenario linking a radical Middle Eastern group with Europe's most sophisticated smugglers putting stolen tech into enemy hands along with a killer virus manufactured for mass destruction

Act of War Don Pendleton, 2008-04-01 Stony man When crisis demands skill stealth and the kind of diplomacy that comes from a mandate to strike down terror the call to action goes to Stony Man Under presidential directive the crack commando teams of Phoenix Force and Able Team backed by the most sophisticated cybernetics team in the world bring the fight to the enemy and take no prisoners Remote nuke trigger Technology capable of exploding cached nuclear arsenals around the globe has fallen into the hands of a group of unidentified terrorists Mushroom clouds are appearing from the deserts of New Mexico to the mountains of Asia as warhead stockpiles become radioactive fallout Facing an untenable decision on whether to disarm or stand and fight the Oval Office can only watch and wait as Stony Man tracks the enemy to the far flung reaches of the Balkans where fifteen families of organized crime will be masters of the universe or blow it out of existence

Capital Offensive Don Pendleton, 2007-12-01 STONY MAN Dedicated to a seek and destroy mandate when presidential directive sends them into the heat of battle the cyber and commando teams of Stony Man hit hard and fast to remove threats of global magnitude Now a secret terrorist organization has hacked its way into defense satellites opening a trapdoor to Hell CAPITAL OFFENSIVE America stands virtually defenseless as global security is compromised and nations prepare for the final conflagration that will end civilization Stony Man gets a lead on a rogue Argentinean general and his twisted vision of a scorched and reborn planet Earth but tracking the technology and the masters of destruction is a race where seconds count and the loser will be humanity itself

Embark on a transformative journey with Explore the World with its captivating work, Discover the Magic in **Sky Killers**. This enlightening ebook, available for download in a convenient PDF format, invites you to explore a world of boundless knowledge. Unleash your intellectual curiosity and discover the power of words as you dive into this riveting creation. Download now and elevate your reading experience to new heights.
