Dean,2011-01-01 His radiance is like the sunlight He has rays flashing from His hand Habakkuk 3 4 NASB Too many Christians assume that all will be fine when they die and go to Heaven But author and pastor Randy Dean a modern day firebrand for the Lord aggressively refuses to settle for that way of thinking and living From putting his arm around a hopeless person and giving hope to raising the dead he is building an army to sweep across the land and shine its spiritual radiance on a dark and sleeping world The transcendent nature of the Kingdom of God has a dynamic that naturally radiates God s presence and dominating power Nature itself is agonizing in its wait for you to be radiant with this supreme energy in your very footsteps Randy Dean The authentically good news of the Kingdom of God is a transcendent supremacy a living energy that by its sheer magnetism draws people into its healing force God sent Jesus as His Radiance You too can be radiant with a Spirit of an invulnerable irresistible and pervasive force Back Dare to live an outrageously attractive lifestyle in every venue of our culture you are the radiance of His glory *Blind Faith (EasyRead Super Large 20pt Edition)* , **After War,**

Hammer,2024-07-19 Over forty days and forty nights Doug brings us alongside him as he relives the extreme highs and lows spiritually as he desperately reaches out to God as he fasts knowing that this was to be his last chance to change his life around For years he had tried everything there was to reach out to God and to find favor in His heart never realizing that the answer was there all along right in front of him in the perfect words of the Holy Bible Stripped down to literally nothing but a few worldly possessions broke divorced rejected by his daughter and standing all alone in a world that cared nothing about him Doug thought that this was as good as it was going to get He was to be the world's punching bag for all the winners in life and was resigned to the reality that he was to be the loser everyone else would walk on to get what they wanted Little did he realize that in all the hurt frustration and hopelessness God was forcing him to take the only road left to him fasting God's thundering velvet hand was rebuilding him on His terms to be the spiritual warrior that he was always meant to be and whether Doug liked it or not God was going to reach into his heart and pull him into a relationship that fifty seven years of suffering and hurt could never stand up to God locked onto Doug and no matter how hard Satan attacked or Doug felt beaten God was there to pick him up and brush him off like a loving father with an unconditional love only a dad could give to his son In all of his desperate pleas to God for help Doug was being held at arm's length by God until he realized that what his Father in heaven was demanding of him was not perfection but a relationship built on love and faith God's hand was now locked on to Doug and as painful as life was in every facet of his being it was now as clear as the words of the Bible God had Doug right where He wanted him and there would be no more yesterdays of pain and failure but now a life drawn deep into God's heart and there's no looking back **Hope After Faith** Jerry DeWitt,Ethan Brown,2013-06-25 A former Louisiana

Faith and Treason Antonia Fraser, 2014-04-30 In England November 5 is Guy Fawkes Day when fireworks displays commemorate the shocking moment in 1605 when government authorities uncovered a secret plan to blow up the House of Parliament and King James I along with it A group of English Catholics seeking to unseat the king and reintroduce Catholicism as the state religion daringly placed thirty six barrels of gunpowder in a cellar under the Palace of Westminster Their aim was to ignite the gunpowder at the opening of the Parliamentary session Though the charismatic Catholic Robert Catesby was the group's leader it was the devout Guy Fawkes who emerged as its most famous member as he was the one who was captured and who revealed under torture the names of his fellow plotters In the aftermath of their arrests conditions grew worse for English Catholics as legal penalties against them were stiffened and public sentiment became rabidly intolerant In a narrative that reads like a gripping detective story Antonia Fraser has untangled the web of religion politics and personalities that surrounded that fateful night of November 5 And in examining the lengths to which individuals will go for their faith she finds in this long ago event a reflection of the religion inspired terrorism that has produced gunpowder plots of our own time
