

Terrible Swift Sword

THE LEGACY OF
JOHN BROWN

Edited by Peggy A. Russo
and Paul Finkelman

Terrible Swift Sword The Legacy Of John Brown

Anne Monahan

Terrible Swift Sword The Legacy Of John Brown:

Terrible Swift Sword Peggy A. Russo, Paul Finkelman, 2005 More than two centuries after his birth and almost a century and a half after his death the legendary life and legacy of John Brown go marching on Various deemed martyr madman monster terrorist and saint he remains one of the most controversial figures in America's history Brown's actions in Kansas and Harpers Ferry West Virginia provided major catalysts for the American Civil War actions that continue today to evoke commendation or provoke condemnation Through the prisms of history literature psychology criminal justice oral history African American studies political science film studies and anthropology **Terrible Swift Sword** offers insights not only into John Brown's controversial character and motives but also into the nature of a troubled society before during and after the Civil War The discussions include reasons why Brown's contemporaries supported him attempts to define Brown using different criteria analyses of Brown's behavior his depiction in literature and examinations of the iconography surrounding him The interdisciplinary focus marshalled by editor Peggy A Russo makes **Terrible Swift Sword** unique and this together with the popular mythology surrounding the legend of John Brown will appeal to a broad audience of readers interested in this turbulent moment in American history Paul Finkelman is Chapman Distinguished Professor of Law at the University of Tulsa College of Law He is the author of many articles and books including *His Soul Goes Marching On Responses to John Brown and the Harpers Ferry Raid* and the Library of Congress Civil War Desk Reference Peggy Russo is an assistant professor of English at the Mont Alto Campus of Pennsylvania State University She has published in *Shakespeare Bulletin* *The Southern Literary Journal* *Journal of American Culture* *Shakespeare and the Classroom* and *Civil War Book Review*

John Brown's Trial Brian McGinty, 2009-10-15 Here Brian McGinty provides a comprehensive account of the trial of abolitionist John Brown After the jury returned its guilty verdict an appeal was quickly disposed of and the governor of Virginia refused to grant clemency **Weird John Brown** Ted A. Smith, 2023-05-25 Combining theology politics and historical analysis theorizes what might be at stake ethically for America's current political life Andrew Taylor *Journal of American History* Conventional wisdom holds that attempts to combine religion and politics will produce unlimited violence Concepts such as jihad crusade and sacrifice need to be rooted out the story goes for the sake of more bounded and secular understandings of violence Ted Smith upends this dominant view drawing on Walter Benjamin Giorgio Agamben and others to trace the ways that seemingly secular politics produce their own forms of violence without limit He brings this argument to life and digs deep into the American political imagination through a string of surprising reflections on John Brown the nineteenth century abolitionist who took up arms against the state in the name of a higher law Smith argues that the key to limiting violence is not its separation from religion but its connection to richer and more critical modes of religious reflection **Weird John Brown** develops a negative political theology that challenges both the ways we remember American history and the ways we think about the nature meaning and exercise of violence Powerfully combines theology and political theory

Recommended R J Meagher Choice Smith illustrates how an ethical and philosophical reading of history can help us to better understand the world we live in Franklin Rausch New Books in Christian Studies A brilliantly original and compelling book John Stauffer Harvard University A very sophisticated philosophical and theological reflection on John Brown and the question of divine violence Willie James Jennings Duke University [Terrible Swift Sword](#) ,1963 [John Brown, Emancipator](#) Louis DeCaro Jr.,2017-09-18 Collection of essays by Louis A DeCaro Jr a student of the life and letters of the abolitionist John Brown These essays first appeared on the author s online publication John Brown the Abolitionist A Biographer s Blog and have been edited and presented here with new extended critical introduction [John Brown's Spy](#) Steven Lubet,2020-08-11 A compulsively readable account of the fugitive who betrayed John Brown after the bloody abolitionist raid on Harper s Ferry Booklist starred review John Brown s Spy tells the nearly unknown story of John E Cook the person John Brown trusted most with the details of his plans to capture the Harper s Ferry armory in 1859 Cook was a poet a marksman a boaster a dandy a fighter and a womanizer as well as a spy In a life of only thirty years he studied law in Connecticut fought border ruffians in Kansas served as an abolitionist mole in Virginia took white hostages during the Harper s Ferry raid and almost escaped to freedom For ten days after the infamous raid he was the most hunted man in America with a staggering one thousand dollar bounty on his head Tracking down the unexplored circumstances of John Cook s life and disastrous end Steven Lubet is the first to uncover the full extent of Cook s contributions to Brown s scheme Without Cook s participation the author contends Brown might never have been able to launch the insurrection that foreshadowed the Civil War Had Cook remained true to the cause history would have remembered him as a hero Instead when Cook was captured and brought to trial he betrayed John Brown and named fellow abolitionists in a full confession that earned him a place in history s tragic pantheon of disgraced turncoats Lubet is especially effective at capturing the courtroom drama A crisply told tale fleshing out one of American history s more intriguing footnotes Kirkus Reviews Take s readers on a ride through the frantic days surrounding Brown s raid that will make them feel the moment as much as understand it Library Journal starred review [Horace Pippin, American Modern](#) Anne Monahan,2020-01-01 This nuanced reassessment transforms our understanding of Horace Pippin casting the artist and his celebrated paintings as more complex than has previously been recognized **John Brown Still Lives!** R. Blakeslee Gilpin,2011-11-14 From his obsession with the founding principles of the United States to his cold blooded killings in the battle over slavery s expansion John Brown forced his countrymen to reckon with America s violent history its checkered progress toward racial equality and its resistance to substantive change Tracing Brown s legacy through writers and artists like Thomas Hovenden W E B Du Bois Robert Penn Warren Jacob Lawrence Kara Walker and others Blake Gilpin transforms Brown from an object of endless manipulation into a dynamic medium for contemporary beliefs about the process and purpose of the American republic Gilpin argues that the endless distortions of John Brown misrepresentations of a man and a cause simultaneously noble and terrible

have only obscured our understanding of the past and loosened our grasp of the historical episodes that define America's struggles for racial equality. By showing Brown's central role in the relationship between the American past and the American present, Gilpin clarifies Brown's complex legacy and highlights his importance in the nation's ongoing struggle with the role of violence, the meaning of equality, and the intertwining paths these share with the process of change.

The Historical Origins of Terrorism in America Robert Kumamoto, 2014-02-05

When we think of American terrorism, it is modern individual terrorists such as Timothy McVeigh that typically spring to mind. But terrorism has existed in America since the earliest days of the colonies, when small groups participated in organized and unlawful violence in the hope of creating a state of fear for their own political purposes. Using case studies of groups such as the Green Mountain Boys, the Mollie Maguires, and the North Carolina Regulators, as well as the more widely known Sons of Liberty and the Ku Klux Klan, Robert Kumamoto introduces readers to the long history of terrorist activity in America. Sure to incite discussion and curiosity in anyone studying terrorism or early America, *The Historical Origins of Terrorism in America* brings together some of the most radical groups of the American past to show that a technique that we associate with modern atrocity actually has roots much farther back in the country's national psyche.

Dixie Redux Raymond Arsenault, Orville Vernon Burton, 2013-10-15

Dixie Redux: Essays in Honor of Sheldon Hackney is a collection of original essays written by some of the nation's most distinguished historians. Each of the contributors has a personal as well as a professional connection to Sheldon Hackney, a distinguished scholar in his own right who has served as Provost of Princeton University, president of Tulane University, and the University of Pennsylvania, and the chairman of the National Endowment for the Humanities. In a variety of roles—teacher, mentor, colleague, administrator, writer, and friend—Sheldon Hackney has been a source of wisdom, empowerment, and wise counsel during more than four decades of historical and educational achievement. His life, both inside and outside the academy, has focused on issues closely related to civil rights, social justice, and the vagaries of race, class, regional culture, and national identity. Each of the essays in this volume touches upon one or more of these important issues, themes that have animated Sheldon Hackney's scholarly and professional life.

Embracing the Track of Term: An Psychological Symphony within **Terrible Swift Sword The Legacy Of John Brown**

In a global eaten by screens and the ceaseless chatter of instant communication, the melodic elegance and psychological symphony created by the published word frequently disappear in to the background, eclipsed by the constant noise and disruptions that permeate our lives. But, nestled within the pages of **Terrible Swift Sword The Legacy Of John Brown** a marvelous literary prize full of organic feelings, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, this captivating masterpiece conducts viewers on a psychological trip, skillfully unraveling the hidden tunes and profound influence resonating within each cautiously constructed phrase. Within the depths of the moving examination, we can investigate the book is central harmonies, analyze their enthralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
