Terror In The Night The Klans Campaign Against The Jews:

Unmasking the Klansman Dan T. Carter, 2023-04-15 God's Long Summer Charles Marsh, 2024-08-06 In the summer of 1964 the turmoil of the civil rights movement reached its peak in Mississippi with activists across the political spectrum claiming that God was on their side in the struggle over racial justice This was the summer when violence against blacks increased at an alarming rate and when the murder of three civil rights workers in Mississippi resulted in national media attention Charles Marsh takes us back to this place and time when the lives of activists on all sides of the civil rights issue converged and their images of God clashed He weaves their voices into a gripping narrative a Ku Klux Klansman for example borrows fiery language from the Bible to link attacks on blacks to his priestly calling a middle aged woman describes how the Gospel inspired her to rally other African Americans to fight peacefully for their dignity a SNCC worker tells of harrowing encounters with angry white mobs and his pilgrimage toward a new racial spirituality called Black Power Through these emotionally charged stories Marsh invites us to consider the civil rights movement anew in terms of religion as a powerful yet protean force driving social action The book's central figures are Fannie Lou Hamer who worked for Jesus in civil rights activism Sam Bowers the Imperial Wizard of the White Knights of the Ku Klux Klan of Mississippi William Douglas Hudgins an influential white Baptist pastor and unofficial theologian of the closed society Ed King a white Methodist minister and Mississippi native who campaigned to integrate Protestant congregations and Cleveland Sellers a SNCC staff member turned black militant Marsh focuses on the events and religious convictions that led each person into the political upheaval of 1964 He presents an unforgettable American social landscape one that is by turns shameful and inspiring In conclusion Marsh suggests that it may be possible to sift among these narratives and lay the groundwork for a new thinking about racial reconciliation and the beloved community He maintains that the person who embraces faith's life affirming energies will leave behind a most powerful legacy of social activism and compassion **Coming Out Jewish** Jon Stratton, 2003-09-02

Like many Jews of our generation Jon Stratton grew up in a family more concerned about assimilation than about preserving Jewish tradition While he could easily pass among non Jews he found himself increasingly torn between his fear of not belonging and a deeply felt commitment to his family's past Coming Out Jewish examines the unique challenge of constructing an identity amid the clash between ethnicity and conformity For many Jews the idea of full assimilation ended with the Holocaust But the pressure to adapt to the mainstream Stratton eloquently argues remains powerful especially for those with anglicized names assimilationist parents a history of recent immigration or ambivalent experiences of themselves as Jews With reference to the work of Daniel Boyarin Ien Ang and Homi Bhabha among others Stratton offers fresh analysis on a wide range of topics including the Jewish origins of pluralism in the US anti-Semitism in Germany the Jewishness of sitcoms like *Seinfeld* and the Yiddishization of American culture since World War II More than a book about Jews and Jewishness Coming Out Jewish smartly and accurately mines the Jewish experience in the West to give voice to the issues of

migration Diaspora assimilation and identity that affect those displaced and othered around the world Going South Debra L. Schultz, 2002-10 Compelling first hand stories of Jewish women fighting racism in the American south while coming of age in the shadow of the Holocaust **The Murder of Marilyn Monroe** Jay Margolis, Richard Buskin, 2016-09-20 A New York Times Best Seller Since Marilyn Monroe died among suspicious circumstances on the night of August 4 1962 there have been queries and theories allegations and investigations but no definitive evidence about precisely what happened and who was involved until now In The Murder of Marilyn Monroe Case Closed renowned MM expert Jay Margolis and New York Times bestselling author Richard Buskin finally lay to rest more than fifty years of wild speculation and misguided assertions by actually naming for the first time the screen goddess s killer while utilizing the testimony of eye witnesses to exactly what took place inside her house on Fifth Helena Drive in Los Angeles Brentwood neighborhood Implicating Bobby Kennedy in the commission of Marilyn s murder this is the first book to name the LAPD officers who accompanied the US Attorney General to her home provide details about how the Kennedys used bribes to silence one of the ambulance drivers and specify how the subsequent cover up was aided by a noted pathologist s outrageous lies This blockbuster volume blows the lid off the world s most notorious and talked about celebrity death and in the process exposes not only the truth about an iconic star s tragic final hours but also how a legendary American politician used powerful resources to protect what many still perceive as his untarnished reputation Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home Race Against Time Jack E. Davis, 2004-10-01 While many studies of race relations have focused on the black experience Race against Time strives to unravel the emotional and cultural foundations of race in the white mind Jack E Davis combed primary documents in Natchez Mississippi and absorbed the town s oral history to understand white racial attitudes there over the past seven decades a period rich in social change strife and reconciliation What he found in this community that cultivates for profit a romantic view of the Old South challenges conventional assumptions about racial prejudice Davis engagingly and effortlessly weaves between nineteenth and twentieth centuries white observations and black to describe patterns of social interaction in Natchez in the workplace education politics religion and daily life It was not he discovers false notions of biological differences reinforced by class and economic conflict that lay at the heart of the town s racial divide but rather the perception of a black white cultural divergence in values in education work and family White culture was deemed superior a presumption manifested through a hierarchy of old family elite and other white citizens Since 1930 Natchez has developed a major tourist industry downsized sharecropping expanded its manufacturing sector and participated in the struggles for civil

rights school desegregation and black political empowerment Yet the collective white perception of a mythic past has continued reinforced through the sum of Natchez s public history social memory school textbooks breathtaking antebellum mansions and world famous Pilgrimage In *Race against Time* Davis sensitively lays bare the need for shared control of the town s history and the acknowledgment of intercultural dependence to effect true racial equality Building upon the 1941 classic *Deep South A Social Anthropological Study of Caste and Class* Davis brings tremendous passion and insight to the demanding issue of race as he fathoms the contours of Natchez s distinctive racial dynamics in recent decades *Matzoh Ball Gumbo* Marcie Cohen Ferris,2012-01-01 From the colonial era to the present Marcie Cohen Ferris examines the expressive power of food throughout southern Jewish history She demonstrates with delight and detail how southern Jews reinvented culinary traditions as they adapted to the customs landscape and racial codes of the American South Richly illustrated this culinary tour of the historic Jewish South is an evocative mixture of history and foodways including more than thirty recipes to try at home *To Stand Aside Or Stand Alone* P.
