Terror In The Wax Museum:

Ray Milland James McKay, 2020-02-21 With no formal training as an actor Welsh born Ray Milland 1907 1986 a former trooper in the British Army s Household Cavalry enjoyed a half century career working alongside some of the great directors and stars from the Golden Age of cinema He won the Academy Award for Best Actor for his performance as the alcoholic writer in *The Lost Weekend* 1945 a defining moment that enabled him to break free from romantic leads and explore darker shades of his debonair demeanor such as the veiled menace of his scheming husband in Hitchcock s *Dial M For Murder* 1954 A consummate professional with wide range Milland took the directorial reins in several of his starring vehicles in the 1950s most notably in the intelligent Western *A Man Alone* 1955 He comfortably slipped into most genres from romantic comedy to adventure to film noir Later he turned to science fiction and horror movies including two with cult filmmaker Roger Corman This first complete filmography covers the actor s screen career with a concise introductory biography and an appendix listing his extensive radio and television credits

Wax Museum Movies George Higham, 2020-10-16 Spanning over a century of cinema and comprised of 127 films this book analyzes the cinematic incarnations of the uncanniest place on earth wax museums Nothing is as it seems at a wax museum It is a place of wonder horror and mystery Will the figures come to life at night or are they very much dead with corpses hidden beneath their waxen shells Is the genius hand that molded them secretly scarred by a terrible tragedy longing for revenge Or is it a sinner s sanctum harboring criminals with countless places to hide in plain sight This chronological analysis includes essential behind the scenes information in addition to authoritative research comparing the creation of real wax figures to the reel ones seen onscreen Publicly accessible or hidden away in a maniac s lair wax museums have provided the perfect settings for films of all genres to thrillingly play out on the big screen since the dawn of cinema

Dashing to the End Eric Monder, 2025-05-15 Born Alfred Reginald John Truscott Jones Welsh American actor Ray Milland 1907 1986 appeared in more than 135 theatrical releases between 1929 and 1985 and on radio television and the stage while also becoming a film director Milland s extensive canon across such a period is remarkable especially considering his lack of formal training his belated start in show business in his late twenties and the fact he only lived to age seventy nine Perhaps best remembered for his Oscar winning performance as the tortured alcoholic in Billy Wilder s *The Lost Weekend* 1945 or his outstanding collaboration with Alfred Hitchcock in *Dial M for Murder* 1954 there is much more to Milland s life and career than the few films that elevated him from star to icon Despite his prolific and successful career *Dashing to the End The Ray Milland Story* is the first comprehensive biography of the star Milland s personal and professional trajectory epitomize quintessential Hollywood lore the British army soldier turned actor who went from unknown struggling bit player to Oscar winning star to aging scandal haunted has been to comeback character actor to present day cult figure Using interviews with Milland s costars and colleagues as well as research from several major archives author Eric Monder brings into sharp relief both the positive and negative aspects of the Hollywood

film and television industries and paints a well rounded portrait of this complex man and artist **Living Pictures, Missing Persons** Mark B. Sandberg, 2021-10-12 In the late nineteenth century Scandinavian urban dwellers developed a passion for a new utterly modern sort of visual spectacle objects and effigies brought to life in astonishingly detailed realistic scenes The period 1880 1910 was the popular high point of mannequin display in Europe Living Pictures Missing Persons explores this phenomenon as it unfolded with the rise of wax museums and folk museums in the largest cities of Denmark Sweden and Norway Mark Sandberg asks Why did modernity generate a cultural fascination with the idea of effigy He shows that the idea of effigy is also a portal to understanding other aspects of visual entertainment in that period including the widespread interest in illusionistic scenes and tableaux in the portability of sights spaces and entire milieus Sandberg investigates this transformation of visual culture outside the usual test cases of the largest European metropolises He argues that Scandinavian spectators desired an unusual degree of authenticity a cultural preference for naturalism that made its way beyond theater to popular forms of museum display The Scandinavian wax museums and folk ethnographic displays of the era helped pre cinematic spectators work out the social implications of both voyeuristic and immersive display techniques This careful study thus anticipates some of the central paradoxes of twentieth century visual culture but in a time when the mannequin and the physical relic reigned supreme and in a place where the contrast between tradition and modernity was a high stakes game **Historical Dictionary of Horror Cinema** Peter Hutchings, 2017-11-22 Horror is one of the most enduring and controversial of all cinematic genres Horror films range from subtle and poetic to graphic and gory but what links them together is their ability to frighten disturb shock provoke delight irritate and amuse audiences Horror s capacity to take the form of our evolving fears and anxieties has ensured not only its notoriety but also its long term survival and international popularity This second edition has been comprehensively updated to capture all that is important and exciting about the horror genre as it exists today Its new entries feature the creative personalities who have developed innovative forms of horror and recent major films and cycles of films that ensure horror s continuing popularity and significance In addition many of the other entries have been expanded to include reference to the contemporary scene giving a clear picture of how horror cinema is constantly renewing and transforming itself The Historical Dictionary of Horror Cinema traces the development of the genre from its beginnings to the present This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries The entries cover all major movie villains including Frankenstein and his monsters the vampire the werewolf the mummy the zombie the ghost and the serial killer film directors producers writers actors cinematographers make up artists special effects technicians and composers who have helped shape horror history significant production companies major films that are milestones in the development of the horror genre and different national traditions in horror cinema as well as popular themes formats conventions and cycles John Carradine Tom Weaver, 2024-10-15 Over more than six decades and 200 films supreme movie villain John Carradine defined

the job of the character actor running the gamut from preacher Casey of *The Grapes of Wrath* to his classic Count Dracula of *House of Frankenstein* and *House of Dracula*. But for every *Prisoner of Shark Island* or *Jesse James Carradine* who also did great work on Broadway and the classical theater he produced, directed and starred in, *Hamlet* hammed it up in scores of B and C horror and exploitation films, developing the while quite a reputation for scandal. Through it all though he remained a survivor and a true professional. This is the first ever work devoted exclusively to the films of John Carradine. In addition to the comprehensive filmography, there is a biography of Carradine contributed by Gregory Mank, commentary on the man by indie film director Fred Olen Ray who helmed many latter day Carradine movies and an interesting piece by director Joe Dante who writes about Carradine's involvement in Dante's 1981 werewolf movie *The Howling*.

Jack the Ripper Gary Coville, Patrick Lucanio, 2015-06-14 The identity of Jack the Ripper has consumed public curiosity since he first tormented the East End of London in 1888. Numerous theories have been offered as to his identity but he remains in the shadows where it seems only imaginative literature has been able to elucidate his meaning to the modern world. This work surveys the literary, film, television and radio treatments of Jack the Ripper and his crimes. The works of fiction are thoroughly analyzed as are the major nonfiction works that have offered various theories about the Ripper's identity. Works whose narratives are obviously inspired by Jack the Ripper and his crimes are also discussed.
