Terror Of The Snows:

Snow Drowned Jennifer D. Lyle, 2024-11-05 There s a saying on Fall Island the snow will get you Gracie Hutchinson has lived here her whole life and knows there s some truth to those words Every few years someone dies in a snowstorm or loses their mind or disappears without a trace Sometimes it seems like more than just New England weather Now a hundred year storm is approaching and while most of the locals have taken the ferry to the mainland Gracie must stay behind But she s intrigued to find someone else her age has stayed too Joseph Wescott whose mysterious family lives in Wescott Manor descendants of the legendary first settlers of Fall Island Together they stumble across something even more unsettling than the coming storm the body of a stranger murdered in a grim ritual Someone on the island believes the old Fall superstitions have a dark power and now they have Gracie in their sights As the hours count down to the blizzard s landfall it seems the only safe place to go is Westcott Manor But Gracie wonders if there s another reason why she s been brought there one that has to do with Joseph She ll discover secrets that have been kept for generations a hidden history and the terrifying truth about Fall Island Because even when the storm ends there s no escape from the horror beneath the snow **The Snow**

Adam Roberts, 2018-12-11 The new Adam Roberts novel is a story of global apocalypse old hatreds and new beginnings It is his best novel to date And this is how the world will end The snow started falling on the sixth of September soft noiseless flakes filling the sky like a swarm of white moths or like static interference on your TV screen whichever metaphor nature or technology you find the more evocative Snow everywhere all through the air with that distinctive sense of hurrying that a vigorous snowfall brings with it Everything in a rush busy busy snowflakes And simultaneously paradoxically everything is hushed calm as quiet as cancer as white as death And at the beginning people were happy But the snow doesn t stop It falls and falls and falls Until it lies three miles thick across the whole of the earth Six billion people have died Perhaps 150 000 survive But those 150 000 need help they need support they need organising governing And so the lies begin Lies about how the snow started Lies about who is to blame Lies about who is left Lies about what really lies beneath **Snow Mountain**
