Terry Jones Medieval Lives:

Terry Jones' Medieval Lives Alan Ereira, Terry Jones, 2009-05-27 Was medieval England full of knights on horseback rescuing fainting damsels in distress Were the Middle Ages mired in superstition and ignorance Why does nobody ever mention King Louis the First and Last And of course those key questions which monks were forbidden the delights of donning underpants and did outlaws never wear trousers Terry Jones and Alan Ereira are your guides to this most misrepresented and misunderstood period and they point you to things that will surprise and provoke Did you know for example that medieval people didn't think the world was flat That was a total fabrication by an American journalist in the 19th century Did you know that they didn't burn witches in the Middle Ages That was a refinement of the so called Renaissance In fact medieval kings weren't necessarily merciless tyrants and peasants entertained at home using French pottery and fine wine Terry Jones Medieval Lives reveals Medieval Britain as you have never seen it before a vibrant society teeming with individuality intrigue and innovation

Terry Jones' Barbarians Alan Ereira, Terry Jones, 2009-05-27 Terry Jones Barbarians takes a completely fresh approach to Roman history Not only does it offer us the chance to see the Romans from a non Roman perspective it also reveals that most of those written off by the Romans as uncivilized savage and barbaric were in fact organized motivated and intelligent groups of people with no intentions of overthrowing Rome and plundering its Empire This original and fascinating study does away with the propaganda and opens our eyes to who really established the civilized world Delving deep into history Terry Jones and Alan Ereira uncover the impressive cultural and technological achievements of the Celts Goths Persians and Vandals In this paperback edition Terry and Alan travel through 700 years of history on three continents bringing wit irreverence passion and scholarship to transform our view of the legacy of the Roman Empire and the creation of the modern world
