Testimony Of Gods Witness And Judge:

Testimony of God's Witness and Judge God's Honor,2005-01-01 LISTEN WISDOM IS CALLING OUT REASON IS MAKING HERSELF HEARD On the hilltops near the road and at the crossroads she stands At the entrance to the city besides the gate she calls She appeals to all mankind to everyone on Earth Listen to WORDS OF REASON AND TRUTH for they are words of WISDOM and in them there is found no hatred or lies Truth is never false or misleading and Wisdom is filled with knowledge sound judgment and understanding The Testimony of God s Witness is just what it claims to be a man testifying unlike those before him in and on God s behalf God in the Courtroom Guy Bechor,2011-12-23 This volume compares the courtroom oaths of both Islamic and modern Egyptian legal systems blending elements of legal history comparative law theology philosophy and culture Until now academic research has paid little attention to the subject of the courtroom oath in the Islamic or Egyptian legal systems As such it might appear as if modern legislation in the Arab world on this subject forms the natural continuation of Islamic law or that there are no significant differences between these two legal approaches This unique study seeks to rectify this impression by examining the institution of the courtroom oath on the basis of three criteria Islamic law which discusses the oath in the context of the judicial proceeding including debate between different schools and interpreters the sources and approach of Arab law on this subject and lastly the core of this book a detailed legal comparison between the Islamic oath and the Arab oath In itself this is a study in legal history examining the origins character sources and doctrines of the oath in Arab law and at the same time it is a comparative study of Islamic and contemporary Arab law in this field *Disempowered King* Yair Lorberbaum,2011-03-17 Disempowered King studies the conception of kingship and its status powers and authority in Talmudic literature The book deals with the conception of kingship against the background of the different approaches to kingship both in Biblical literature and in the political views prevalent in the Roman Empire In the Bible one finds three exclusive approaches to kingship rejection of the king as a legitimate political institution since God is the political king a version of royal theology according to which the king is divine or sacral and a view that God is not a political king yet the king has no divine or sacral dimension The king is flesh and blood hence his authority and power are limited He is a disempowered king Disempowered King is the first book to offer a comprehensive study of kingship in Talmudic literature and its biblical and contemporary background The book offers a fresh conceptual framework that sheds new light on both the vast minutia and the broad picture **God of Justice** David E. Leininger,2007 With the Ten Commandments such an integral part of today s culture wars it would seem to be a safe assumption that most people are familiar with what the commandments actually say Yet many surveys indicate otherwise and even when people can name all of the commandments they often misinterpret their meaning For example Do not take the Lord s name in vain has nothing to do with avoiding getting one s mouth washed out with soap Remember the sabbath day is not about going to church Honor your father and mother is not a way to get recalcitrant kids to clean up their rooms and despite what most folks think You

shall not commit adultery is not primarily about sex In God of Justice David Leininger sets the record straight with a new look at this ancient document He examines the commandments in the context of today s social cultural and political environment and he concludes that rather than the traditional view of them as ironclad laws the commandments are actually God s policy statements about what is the bedrock of a good decent and just society When properly understood the commandments offer God s guidance in establishing a healthy way of life that is rewarding for everyone With discussion questions included for each chapter God of Justice is an excellent study resource for adult classes and clear and accessible reading that will be stimulating and rewarding for any thoughtful Christian David E Leininger is the pastor of First Presbyterian Church in Warren Pennsylvania He has also served congregations in North and South Carolina Georgia and Florida Prior to entering the ministry Leininger worked for almost twenty years in radio and television He is the author of A Color Blind Church and Lectionary Tales for the Pulpit Series VI Cycle A and his sermons have appeared in the Best Sermons 4 anthology Harper Collins Leininger has also been a contributing writer for the online services StoryShare and The Immediate Word www.sermonsuite.com

Deryn Guest,Gerald West,2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Guest and West s introduction to and concise commentary on Judges and Ruth The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book
