Texas Bound 22 Texas Stories:

Texas Bound Kay Cattarulla, 1998 This second anthology of *Texas Bound* contains stories by turns poignant hip fantastical tragic and uproarious Among the authors are literary pacesetters Sandra Cisneros national best sellers James Lee Burke recent prize winners Lisa Sandlin Dagoberto Gilb long recognized Texas talents Miles Wilson Annette Sanford Carolyn Osborn and a big helping of new discoveries Like the first volume of *Texas Bound* this is both a companion book to the audio editions and an outstanding collection of what the New York Times has described as stories about people coming to terms with love race myths time and honor in towns that transcend Texas even as they evoke it Here's new proof that Texans who prize the storytelling tradition excel at creating short fiction *Texas Bound* Kay Cattarulla, 2001 Twenty two stories featured in the *Texas Bound* segment of the literary series Arts and Letters Live presented by the Dallas Museum of Art and the Friends of the Dallas Public Library Book III offers encounters with a lovelorn parrot a small town Texan under the weather on a housebound sick day a Houston matron whose back to nature weekend in the country changes her life and a professor whose medical diagnosis turns into a profound yet somehow hilarious adventure *John Graves, Writer* Mark Busby, Terrell Dixon, 2009-12-03 Runner up Violet Crown Award Writer's League of Texas 2008 Renowned for *Goodbye to a River* his now classic meditation on the natural and human history of Texas as well as for his masterful ability as a prose stylist John Graves has become the dean of Texas letters for a legion of admiring readers and fellow writers Yet apart from his own largely autobiographical works including *Hard Scrabble* *From a Limestone Ledge* and *Myself and Strangers* surprisingly little has been written about Graves's life or his work John Graves Writer seeks to fill that gap with interviews appreciations and critical essays that offer many new insights into the man himself as well as the themes and concerns that animate his writing The volume opens with the transcript of a revealing often humorous symposium session in which Graves responds to comments and stories from his old friend Sam Hynes his former student and contemporary art critic Dave Hickey and co editor Mark Busby Following this is a more formal interview of Graves by Dave Hamrick who draws the author out on issues relating to each of his major works John Graves's friends Bill Wittliff Rick Bass Bill Broyles John R Erickson Bill Harvey and James Ward Lee speak to the powerful influence that Graves has had on fellow writers In addition to these personal observations nine scholars analyze essential aspects of Graves's work These include the place of *Goodbye to a River* within environmental literature and how its writing was a rite of passage for its author Graves as a prose stylist and a literary rather than polemical writer the ways in which Graves's major works present different aspects of a single narrative about our relationship to the land the question of gender in Graves's work and Graves's sometimes contentious relationship with *Texas Monthly* magazine Mark Busby introduces the volume with a critical overview of Graves's life and work and Don Graham concludes it with a discussion of Graves's reception and literary reputation A bibliography of works by and about Graves rounds out the book John Graves Writer confirms Graves's stature not only within Texas letters but also within American
