Skyline Tim Keown,1994 Keown tracks the ups and downs of a California melting pot high school basketball team and their dedicated idealistic rookie coach *King of the Court* Aram Goudsouzian,2010-05-01 Bill Russell was not the first African American to play professional basketball but he was its first black superstar From the moment he stepped onto the court of the Boston Garden in 1956 Russell began to transform the sport in a fundamental way making him more than any of his contemporaries the Jackie Robinson of basketball In *King of the Court* Aram Goudsouzian provides a vivid and engrossing chronicle of the life and career of this brilliant champion and courageous racial pioneer Russell s leaping wide ranging defense altered the game s texture His teams provided models of racial integration in the 1950s and 1960s and in 1966 he became the first black coach of any major professional team sport Yet like no athlete before him Russell challenged the politics of sport Instead of displaying appreciative deference he decried racist institutions embraced his African roots and challenged the nonviolent tenets of the civil rights movement This beautifully written book sophisticated nuanced and insightful reveals a singular individual who expressed the dreams of Martin Luther King Jr while echoing the warnings of Malcolm X The Unlevel Playing Field David Kenneth Wiggins,Patrick B. Miller,David Kenneth Wiggins,2004 The essays presented in this text examine the complexity of black American sports culture from the organization of semi pro baseball and athletic programs at historically black colleges and universities to the careers of individual stars such as Jack Johnson and Joe Louis *African Americans in Sports* David K. The House of Daniel Harry Turtledove, 2016-04-19 From Harry Turtledove the Master of Alternate History comes a tale of minor league baseball set in an alternate Great Depression America full of wild magic Since the Big Bubble popped in 1929 life in the United States hasn't been the same Hotshot wizards will tell you nothing's really changed but then again hotshot wizards aren't looking for honest work in Enid Oklahoma No paying jobs at the mill because zombies will work for nothing The diner on Main Street is seeing hard times as well because a lot fewer folks can afford to fly carpets in from miles away Jack Spivey's just another down and out trying to stay alive doing a little of this and a little of that Sometimes that means making a few bucks playing ball with the Enid Eagles against teams from as many as two counties away And sometimes it means roughing up rival thugs for Big Stu the guy who calls the shots in Enid But one day Jack knocks on the door of the person he's supposed to deal with and realizes that he's not going to do any such thing to the young lady who answers This means he needs to get out of the reach of Big Stu who didn't get to where he is by letting defiance go unpunished Then the House of Daniel comes to town a brash band of barnstormers who'll take on any team and whose antics never fail to entertain Against the odds Jack secures a berth with them Now they're off to tour an America that's as shot through with magic as it is dead broke Jack will never be the same nor will baseball At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
