Video Source Book ,2006 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction

Theatre Organ ,1999 *Bowker's Complete Video Directory* ,2000 **The Rough Guide to Comedy Movies** Bob McCabe,2005 This guide discusses laughter in the cinema from Airplane to Withnail and I and from John Belushi to Billy Wilder **America's Darwin** Tina Gianquitto, Lydia Fisher, 2014 An engaging collection of interdisciplinary essays on the distinctive qualities of America s textual engagement with Darwinian evolutionary theory especially in regard to On the Origin of Species which highlights the influence of prevalent cultural anxieties on interpretation **Arts & Entertainment Fads** Frank W. Hoffmann, William G. Bailey, 1990 The first book in a multi volume set on American fads Gives data on the entertainers art movies literature television programs and music that have captured national attention and followers in the past 200 years Each of the 120 entries examines the nature of the fad and its importance to the American scene influencing our vocabularies fashions leisure time pursuits expectations about life marketing strategies and spending habits Annotation copyrighted by Book News Inc Portland OR *New York Magazine* ,1989-02-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Routledge Encyclopedia of Films* Sabine Haenni, Sarah Barrow, John White, 2014-09-15 The Routledge Encyclopedia of Films comprises 200 essays by leading film scholars analysing the most important influential innovative and interesting films of all time Arranged alphabetically each entry explores why each film is significant for those who study film and explores the social historical and political contexts in which the film was produced Ranging from Hollywood classics to international bestsellers to lesser known representations of national cinema this collection is deliberately broad in scope crossing decades boundaries and genres The encyclopedia thus provides an introduction to the historical range and scope of cinema produced throughout the world On the Margins of Realism Ting Luo, 2025-03-31 Realism has been endowed with a certain orthodox status as the aesthetic counterpart of China s modernization and studies of Chinese film history have largely accepted a master narrative of realism as the guiding aesthetic of mainland Chinese cinema This book argues however that alternative aesthetics to realism have always existed in Chinese cinema throughout its history from the early silent era to the new century The alternative aesthetics are closely linked to the indigenous Chinese ontology of cinema namely shadowplay yingxi The author presents an alternative account through a close examination of four distinct visual narrative and stylistic devices or themes that recur in different periods of Chinese film history the dream representation the doubling of characters the device of self reflexivity and the allegorical

construction of space By considering specific films and scenes as problematic sites where history politics and aesthetics collide this book also seeks to elucidate the relationship between cinema and the multifaceted experiences of Chinese modernity with respect to subjectivity ideology identity and nationality This book will be of interest to scholars and students of Chinese cinemas realism and modernism
