Slavery And Society At Rome:

Slavery and Society at Rome Keith R. Bradley, 1994-10-13 This book first published in 1994 is concerned with discovering what it was like to be a slave in the classical Roman world *Slavery and Society at Rome* Keith Bradley, 1994-10-13 This book is about the life of the slave in classical Roman society and the importance of the institution of slavery in Roman civilization generally Its main purpose is to communicate particularly to an undergraduate audience the harshness of the institution and to convey what the experience of being a slave at Rome was like from a slave's point of view The book's importance lies in the fact that it deals with a subject of great interest and is the only comprehensive treatment of Roman slavery currently available **The Cambridge World History of Slavery: Volume 1, The Ancient Mediterranean**

World Keith Bradley, Paul Cartledge, 2011-03-07 Volume 1 in the new Cambridge World History of Slavery surveys the history of slavery in the ancient Mediterranean world Although chapters are devoted to the ancient Near East and the Jews its principal concern is with the societies of ancient Greece and Rome These are often considered as the first examples in world history of genuine slave societies because of the widespread prevalence of chattel slavery which is argued to have been a cultural manifestation of the ubiquitous violence in societies typified by incessant warfare There was never any sustained opposition to slavery and the new religion of Christianity probably reinforced rather than challenged its existence In twenty two chapters leading scholars explore the centrality of slavery in ancient Mediterranean life using a wide range of textual and material evidence Non specialist readers in particular will find the volume an accessible account of the early history of this crucial phenomenon What Is a Slave Society? Noel Lenski, Catherine M. Cameron, 2018-05-10 The practice of slavery

has been common across a variety of cultures around the globe and throughout history Despite the multiplicity of slavery's manifestations many scholars have used a simple binary to categorize slave holding groups as either genuine slave societies or societies with slaves This dichotomy as originally proposed by ancient historian Moses Finley assumes that there were just five genuine slave societies in all of human history ancient Greece and Rome and the colonial Caribbean Brazil and the American South This book interrogates this bedrock of comparative slave studies and tests its worth Assembling contributions from top specialists it demonstrates that the catalogue of five must be expanded and that the model may need to be replaced with a more flexible system that emphasizes the notion of intensification The issue is approached as a question allowing for debate between the seventeen contributors about how best to conceptualize the comparative study of human bondage **Beloved Brother or Slave?** Laurent Okitakatshi, 2025-08-21 Addressing Philemon as well as the church that

meets in Philemon's house Paul makes this prayer I pray that the koinonia of your faith may become effective when you realize all the good that we may do for Christ vv 4-6 What was Paul's intention in revealing the content of his prayer for Philemon in a letter he knew would be read publicly Why was Philemon's koinonia of faith both a matter of praise and an object of concern for Paul The text does not answer these questions until ten verses later In verse 16 one finds this radical

and earth shaking request namely that Philemon receive Onesimus no longer as a slave but more than a slave a beloved brother in the flesh and in the Lord v 16 This book stems from the realization that the word brother in verse 16 not only explains why Philemon s koinonia of faith was ineffective v 6 but also strengthens my claim that a call to an ethic of koinonia is the central message of the letter **Slavery in the Roman World** Sandra R. Joshel,2010-08-16 A lively and

comprehensive overview of Roman slavery ideal for introductory level students of the ancient Mediterranean world

Slavery, Freedom and Gender Brian L. Moore,B. W. Higman,2003 This book is a collection of essays by several distinguished scholars which began as a series of lectures sponsored by the Department of History at the University of the West Indies Mona Jamaica to honour internationally recognized Caribbean historian Elsa Goveia The collection consists of 13 lectures delivered between 1987 to 1998 The book is divided into two broad sections In Slavery and Freedom which features critical research on slavery and post emancipation society and Gender Paradigms It will be particularly engaging to readers interested in Caribbean history social history and gender studies **What is a Slave Society?** Noel Emmanuel

Lenski,Catherine M. Cameron,2018-05-10 Interrogates the traditional binary slave societies societies with slaves as a paradigm for understanding the global practice of slaveholding *Social Formations in the Medieval World* Rakesh Kumar,2024-06-07 This book encapsulates a period of history of human progress by highlighting crucial social economic and cultural dynamics It presents recent historiography and new analytical tools used to analyse multi dimensional themes involved in social formation This is a reader friendly book with simple and lucid language and fulfils the pressing needs of students studying the paper Social Formations and Cultural Patterns of Ancient and Medieval World at various universities across the world The summary keywords and representative questions at the end of each chapter would assist in revision and better understanding of the issues dealt therein A detailed chapter end reference would enable and motivate the readers to engage in further studies for better understanding of the themes This book will be of interest to students researchers and academics in the area of history ancient and medieval world history in particular and anthropology It will also be an interesting read for general readers interested in knowing about the ancient and medieval world Thirteenth (fourteenth)
