Terrible Tide:

The Terrible Tide Charlotte MacLeod, 2012-11-27 A supposedly haunted house contains even more frightening secrets among the living in this cozy mystery from the international bestselling author Holly Howe is just beginning to succeed in the cutthroat world of New York modeling when a car accident ruins her good looks forever and she is forced to retreat to the backwoods of Canada to recuperate in her brother's ramshackle country house But Howe Hill is a wreck dusty ugly and utterly lacking in modern facilities and her brother is no more hospitable So when Holly hears of a job in town taking care of Mrs Partlett an elderly widowed invalid she leaps at the opportunity If nothing else the Partlett mansion must have indoor plumbing But Holly soon finds that while Cliff House is eerie by day it's terrifying by night The other housekeeper is convinced it's haunted by the ghost of Mr Partlett but Holly fears no poltergeist It's the old widow in the upstairs room that frightens her and the secrets that lurk behind her dull silver eyes *The Terrible Tide* Alisa Craig, 1983 Holly Howe a New York model convalescing in a tiny Canadian town stumbles into the middle of a diabolical plan to steal priceless antiques and she barely escapes with her life *The Terrible Tide* Alisa Craig, 1983 The Word S. W., 1866 *A Terrible Tide* Suzanne Meade, 2021-09-28 November 18th 1929 In her small village in Newfoundland Celia is setting the table for her 13th birthday celebration when the house starts to shake It's an earthquake rumbling under the Atlantic Ocean A few hours later the sea water disappears from the harbor only to rush back in a wave almost 30 feet high destroying nearly everything in its path Buildings boats and winter supplies of fish and food are washed away and Celia and her community are devastated With their only phone line cut off and no safe route to get help they are isolated and facing a long cold hungry winter Their house destroyed and village in ruins Celia and her family must band together and share the work needed for the community to survive Can Celia find the courage to help her injured loved ones Will help arrive before it's too late Based on the true story of an earthquake that shook Newfoundland's Burin Peninsula *A Terrible Tide* tells the tale of this forgotten disaster from the point of view of a young girl whose life is turned upside down Home Enlightenment Annie B. Bond, 2005-09-25 A guide to creating an environmentally balanced home shares practical steps on how to promote family health while making informed consumer choices covering such topics as non toxic pest controls purchasing a water filtration system and adjusting home energy using crystals and aromatherapy **Plain Words from America: A Letter to a German Professor (1917)** Douglas Wilson Johnson, 2019-12-16 In *Plain Words from America: A Letter to a German Professor* Douglas Wilson Johnson articulates a nuanced exploration of transatlantic tensions amidst World War I Written as a direct correspondence to a German academic the text offers a candid reflection on American democratic ideals contrasting them with the realities of militarism and nationalism pervasive in Europe at the time Johnson's literary style is marked by clarity and eloquence embodying a straightforwardness that not only serves his argumentation but also reflects the urgency of the moment in which he wrote The work positions itself within the larger discourse of American identity and foreign policy during a period

of escalating conflict and uncertainty Douglas Wilson Johnson an esteemed scholar and public intellectual was deeply engaged with the cultural and political currents of his era His experiences and education rooted in both American and European traditions provided him with unique insights into the ideologies at play Johnson s academic background in history and literature informs his approach fostering a critical dialogue that speaks not just to scholars but to a broader audience grappling with the complexities of war and national identity This book is highly recommended for readers interested in the intersection of literature and politics particularly in the context of World War I Johnson s incisive commentary and heartfelt plea for understanding between nations make this letter a vital read for anyone seeking to grasp the intricate dynamics of early 20th century global relations Rehabilitation of Alcoholics United States.
