From a critical perspective *Free Air* is consistent with Sinclair Lewis s lean towards egalitarian politics which he displays in his other works most notably in *It Can t Happen Here* Examples of his politics in *Free Air* are found in Lewis s emphasis on the heroic role played by the book s protagonist Milt Dagget a working class everyman type Conversely Lewis presents nearly every upper class character in Claire Boltwood s world including her railroad mogul father as being snobby elitists The story also champions the democratic nature of the automobile versus the more aristocratic railroad travel Lewis s showing favoritism towards the freedom which automobiles would eventually accord the working and middle classes bolsters the egalitarian democratic aesthetic *Free Air* is one of the first novels about the road trip a subject around which the Beats most notably Jack Kerouac would build a cult following in the mid 20th century **Graham Sutherland** Rosalind Thuillier,2015-05-28

A compelling biographical study of a leading twentieth century British artist Graham Sutherland *Life Work and Ideas* offers new insight into how he and his paintings developed In the culmination of her life s work Rosalind Thuillier builds on the reflections and recollections of a friendship spanning decades to craft a comprehensive study of Sutherland s life and works interweaving his perceptive responses to his own art taken from personal notes and correspondence with critical reviews and collectors musings to give an authentic picture of the man whose work divided critics Drawing on Sutherland s personal archive the book includes an expansive collection of images that provide a fresh view of the artist Studies by Sutherland along with preparatory works for what would become renowned paintings are published for the first time Graham Sutherland s distinctive style and the emotions that shaped the paintings are here vividly explored Thuillier describes not only the inspiration he found in the windswept Pembrokeshire countryside but also his time as an official war artist and his friendships inside and outside the art world She expertly details the process behind the creation of works such as the controversial portrait of Churchill 1954 subsequently destroyed and his most famous work the huge *Christ in Glory in the Tetramorph* tapestry 1962 in Coventry Cathedral Graham Sutherland *Life Work and Ideas* is not merely a biography but a journey behind the scenes of the artist s career exploring the paintings relationships and influences that formed his vision as an artist and his undeniable contribution to art **Nikolaus Pevsner** Susie Harries,2011-08-18

Born Nikolai Pevsner into a Russian Jewish family in Leipzig in 1902 Nikolaus Pevsner was a dedicated scholar who pursued a promising career as an academic in Dresden and G ttingen When in 1933 Jews were no longer permitted to teach in

German universities he lost his job and looked for employment in England Here over a long and amazingly industrious career he made himself an authority on the exploration and enjoyment of English art and architecture so much so that his magisterial county by county series of 46 books on The Buildings of England first published 1951 74 is usually referred to simply as Pevsner As a critic academic and champion of Modernism Pevsner became a central figure in the architectural consensus that accompanied post war reconstruction as a general practitioner of architectural history he covered an astonishing range from Gothic cathedrals and Georgian coffee houses to the Festival of Britain and Brutalist tower blocks Susie Harries explores the truth about Nikolaus Pevsner s reported sympathies with elements of Nazi ideology his internment in England as an enemy alien and his sometimes painful assimilation into his country of exile His Heftchen secret diaries he kept from the age of 14 for another sixty years reveal hidden aspirations and anxieties as do his numerous letters he wrote to his wife Lola every day that they were apart Harries is the first biographer to have read Pevsner s private papers and through them to have seen into the workings of his mind Her definitive biography is not only rich in context and far ranging but is also brought to life by quotations from Pevsner himself He was born a Jew but converted to Lutheranism trained in the rigour of German scholarship he became an Everyman in his copious commissions publications broadcasts and lectures on art architecture design education town planning social housing conservation Mannerism the Bauhaus the Victorians Zeitgeist Englishness and how a nation s character may or must be reflected in its art His life as an outsider yet an insider at the heart of English art history illuminates both the predicament and the prowess of the continental migr s who did so much to shape British culture after 1945 Apollyon Hilary West,2013-07-11 Apollyon is a book of some mystery Julian Farnham finds he is a bit of a mess and wonders why his fate has been so bad Speaking to a psychoanalyst years later he looks back over his schooldays and things are pieced together bit by bit The final revelation is a shock to all
