Territories Of The Rubian Federation 2001:

Ethnicity and Territory in the Former Soviet Union Dr James Hughes, Gwendolyn Sasse, 2014-09-25 The collapse of the Soviet empire in 1991 removed a decades long system of successful control of potential ethnic and regional conflict The result was the eruption of numerous conflicts over state building some of which degenerated into violence and some of which were resolved or prevented by strategies of accommodation This volume explores the common trends and differences in the responses of the new post Soviet states to the problems of state building in ethnically and regionally divided societies focusing on the impact of ethnic and regional conflicts on post communist transition and institutional development The book will be essential reading for specialists and students alike who are interested in conflict regulation and post Soviet politics

Cities in a Time of Terror: Space, Territory, and Local Resilience H.V. Savitch, 2014-12-18 This book is about urban terror its meaning its ramifications and its impact on city life Written by a well known expert in the field *Cities in a Time of Terror* draws on data from more than a thousand cities across the globe and traces the evolution of urban terrorism between 1968 and 2006 It explains what kinds of cities have become prime targets why terrorism has become increasingly lethal and how its inspiration has changed from secular to religious The author describes urban terrorism as an attempt to use the city's own strength against itself forcing it to implode and delineates three basic logics of terrorist choices for targeting cities The book also includes a discussion of local resilience the city's capacity to bounce back from attack and suggests how that can be sustained Examples from New York London Jerusalem Istanbul Moscow Paris and Madrid illustrate the book's central themes

Developing Australia's Regions Andrew Beer, Alaric Maude, Bill Pritchard, 2003 This is a book that recognises that regions matter what takes place in our diverse regions fundamentally determines the nation's quality of life It delves behind the headlines and speeches and considers the true state of Australia's metropolitan and non metropolitan regions and what can be done to improve their economic social and environmental wellbeing This practical book draws upon regional development theory and national and international experience to set out the principles and strategies that can be used to establish a stronger future for our regions back cover

Territory, War, and Peace John A. Vasquez, Marie T. Henahan, 2023-04-14 This book presents a collection of new and updated essays on what has come to be known as the territorial explanation of war The book argues that a key both to peace and to war lies in understanding the role territory plays as a source of conflict and inter group violence Of all the issues that spark conflict territorial disputes have the highest probability of escalating to war War however is hardly inevitable much depends on how territorial issues are handled More importantly settling territorial disputes and establishing mutually recognized boundaries can produce long periods of peace between neighbors even if other salient issues arise While territory is not the only cause of war and wars arise from other issues territory is one of the main causes of war and learning how to manage it can in principle eliminate an entire class of wars This book will be of great interest to all students of war and conflict studies causes of war and peace international

security and strategic studies John A Vasquez is Thomas B Mackie Scholar in International Relations at the University of Illinois Urbana Champaign He is author of The Steps to War 2008 with Paul Senese and The War Puzzle Revisited 2009 He has been president of the Peace Science Society International and the International Studies Association Marie T Henehan is Director of Internships and Lecturer Department of Political Science at the University of Illinois Urbana Champaign She is author of Foreign Policy and Congress An International Relations Perspective and co editor of The Scientific Study of Peace and War

Attention Deficit/hyperactivity Disorder (AD/HD) and the Hyperkinetic Syndrome (HKS) Robert D. Oades, 2006 There is a dynamism among current ideas on AD HD research which is extraordinarily encouraging as we look to the future and the resolution of the problems of AD HD We can have more confidence than of late that we can determine and rate the problems grouped under the rubric of AD HD chapter 1 delineate them with respect to some prominent if not all related behavioural disruptions chapter 2 and have some confidence in an inter cultural commonality of a problem that may respond to attention from professional care givers chapter 4 We are standing already at the second stage of an understanding and attribution of genetic and environmentally mediated traits chapter 3 9 and 10 that the way forward towards which feature s trigger s which effect s may involve tens of stages is exciting for the first results are at hand e g DRD4 Which amine systems DA NA 5 HT adrenaline acetylcholine intervene with anomalous function is better understood qualitatively than quantitatively chapters 5 8 Perhaps this link in the chain of understanding remains in the most primitive state among the fields discussed in this book synaptic bouton e g vesicle transporters and neurexins let alone the rules for extraneuronal uptake and release in neighbouring systems e g DA by NA systems This knowledge will determine future generations of biologically based treatments Chapter 12 and 13 have illustrated how in principle we may determine with simple neurophysiological means for whom precisely will these work and on what neural systems and psychological functions are they effective The current ideas are promising a body of knowledge is there many details still need to be teased out but the way forward has been indicated

Virgin Territory Julia Kelto Lillis, 2022-12-13 Women s virginity held tremendous significance in early Christianity and the Mediterranean world Early Christian thinkers developed diverse definitions of virginity and understood its bodily aspects in surprising often nonanatomical ways Eventually Christians took part in a cross cultural shift toward viewing virginity as something that could be perceived in women s sex organs Treating virginity as anatomical brought both benefits and costs By charting this change and situating it in the larger landscape of ancient thought Virgin Territory illuminates unrecognized differences among early Christian sources and historicizes problematic ideas about women s bodies that still persist today

Principles of Frontal Lobe Function Donald T. Stuss, Robert T. Knight, 2013 Principles of Frontal Lobe Function Second Edition is an expanded volume divided into 9 sections representing major research and clinical disciplines including new topics such as social neuroscience This book will provide clinicians researchers and students with the most current information as the mystery of the frontal lobes is unraveled

Personalist

Rule in Africa and Other World Regions Jeroen J.J. Van den Bosch, 2021-04-19 This book presents an innovative model linking insights from democratization development and conflict studies to explain personalist behavior and their violent transitions Based on multiple case studies from Sub Saharan Africa the author maps and predicts regime transitions presenting examples of how states can avoid such vicious circles of conflict and tyranny By integrating decades of specialist literature from various subfields of political science the book models personalist behavior its impact on the states they govern and their future transitions By systematizing regime behavior coup proofing gatekeeping repression and hoarding the model identifies the mechanics on how personalist regimes establish vicious circles of personalism and explains how exactly they end up again in authoritarianism or in new personalist tyrannies after their demise and so seldom transition to democracy This book will be of key interest to scholars and students of African politics democratization and democratic consolidation authoritarian rule and more broadly to political science comparative politics area studies political leadership peace and conflict studies and development studies

Ethnic Conflict in Asymmetric Federations Gorana Grgić, 2016-12-19 In the last years of their existence the Union of Soviet Socialist Republics USSR and the Socialist Federal Republic of Yugoslavia SFRY found themselves facing a similar and very grim state of affairs After their disintegration the former Yugoslav republics spiralled into a set of ethnic conflicts that did not leave a single one of them unscathed and in the ex Soviet space conflicts were far more limited This book offers an in depth analysis of the difference in state collapses and ensuing conflicts in the Soviet Union and Yugoslavia by focusing on their asymmetric ethnofederal structure and the different dynamics of ethnic mobilization that the federal units experienced Moreover it explores the links between identity politics and international relations as the latter has been a latecomer in research on ethnonationalism and ethnic conflict Finally it contributes to the literature on the democratization conflict nexus by proposing that the sequencing of ethnic mobilization and political liberalization has significant effects on the likelihood of conflict This text will be of key interest to scholars and students of Post Soviet politics Balkan politics ethnic conflict peace and conflict studies federalism and more broadly to comparative politics and international relations
