financed and their ideological agendas Groups covered include Islamic fundamentalists white and black racists black nationalists revolutionary communists neo Nazis militant Jewish groups anti abortionists and migr groups This book is essential reading for students of American politics and terrorism It also provides a highly readable account for interested readers wishing to know more about a topic which has recently become tragically relevant to world affairs *Terrorism in America* Robin Maria Valeri, Kevin Borgeson, 2018-05-11 Offering a fresh perspective on the changing face of terror attacks Terrorism in America focuses on domestic groups examining the beliefs actions and impacts of American based terrorists and terror organizations Editors Robin Valeri and Kevin Borgeson and their contributors draw on theories from criminology psychology and sociology to explore the ideologies of right wing left wing and extremist religious groups how and why they convert followers recruit financially and take extreme action against others No competing text offers such in depth and nuanced coverage of the radical ideologies behind these attacks or the ensuing fear domestic terrorism creates as well as the strategies to combat violent extremism A core text for domestic terrorism courses and an excellent supplement for any counterterrorism or homeland security course Terrorism in America brings its singular focus to the growth and evolution of terrorism in the United States Interviews case studies from the field and chapter themes make this a highly readable text for criminal justice psychology sociology and homeland security students professors or practitioners *America's "war on Terrorism"* John E. Owens, John Dumbrell, 2008-01-01 America s War on Terrorism New Dimensions in US Government and National Security offers an original and multifaceted analysis of the Bush administration s responses to 9 11 The book brings together American and European analyses of the enormous institutional political and policy shifts in the early 21st century wrought by 9 11 and the war on terror **Terror in Europe** United States. Congress. Senate. Committee on Homeland Security and Governmental Affairs, 2017 **Terrorism in America** J. Lutz, 2007-10-29 Terrorism is often seen as a Middle Eastern problem and terrorists are often perceived as only having a Muslim background It may surprise many to learn that Americans are and have been terrorists since the birth of the nation This book investigates and discusses many instances in which Americans were themselves the terrorists and the victims
