Terrorism And The News Media A Selected Annotated Bibliography:

Terrorism and the News Media A. Odasuo Alali, Gary W. Byrd, 1994 Terrorism and the news media share a symbiotic relationship both command attention deliver a message and shape opinion Current research indicates that terrorist incidents are among the most often used lead in stories on television s evening news The focus here is on how the news media cover terrorism in their reporting Over 600 entries are divided into three areas understanding terrorism terrorism in the electronic media and terrorism in the print media The Invention of Terrorism in Europe, Russia, and the United States Carola Dietze, 2021-07-27 Terrorism s roots in Western Europe and the USA This book examines key cases of terrorist violence to show that the invention of terrorism was linked to the birth of modernity in Europe Russia and the United States rather than to Tsarist despotism in 19th century Russia or to Islam sects in Medieval Persia Combining a highly readable historical narrative with analysis of larger issues in social and political history the author argues that the dissemination of news about terrorist violence was at the core of a strategy that aimed for political impact on rulers as well as the general public Dietze s lucid account also reveals how the spread of knowledge about terrorist acts was from the outset a transatlantic process Two incidents form the book s centerpiece The first is the failed attempt to assassinate French Emperor Napoleon III by Felice Orsini in 1858 in an act intended to achieve Italian unity and democracy The second case study offers a new reading of John Brown s raid on the arsenal at Harpers Ferry in 1859 as a decisive moment in the abolitionist struggle and occurrences leading to the American Civil War Three further examples from Germany Russia and the US are scrutinized to trace the development of the tactic by first imitators With their acts of violence the invention of terrorism was completed Terrorism has existed as a tactic since then and has essentially only been adapted through the use of new technologies and methods

Journalism Jo A. Cates, 2004-05-30 Journalism A Guide to the Reference Literature is a critically annotated bibliographic guide to print and electronic sources in print and broadcast journalism The first edition was published in 1990 the second in 1997 It has been described as one of the critical reference sources in journalism today and it is a key bibliographic guide to the literature Choice magazine called it a benchmark publication for which there are no comparable sources The format is similar to the second edition What makes this edition significantly different is the separation of Commercial Databases and Internet Resources Commercial Databases includes standard fee based resources The new chapter on Internet sources features Web based resources not included in the commercial databases chapter as well as portals other online files listservs newsgroups and Web logs blogs All chapters have been revised and there are significant revisions in Directories Yearbooks and Collections Miscellaneous Sources Core Periodicals Societies and Associations and Research Centers and Archives The second edition has 789 entries The third edition contains almost 1 000 entries James Carey of Columbia University who provided the foreword for the first two editions has updated his foreword for this edition *Terrorism and the Politics of Fear* David L. Altheide, 2017-06-27 This thoughtful text demonstrates how the mass media constructs a politics of fear in the

United States Using a social interactionist perspective the chapters examines such issues as the expansion of surveillance on the Internet the construction of a terrorism fighting hero to promote patriotism the use of social media by terror groups the fear of the other fostered by the refugee crisis and western radicalization as well as the mass mediated reaction to recent terrorist attacks Also covered are the politics of fear involving disease Ebola Zika social control efforts and harsh attacks on American governmental officials for not keeping people safe from harm All chapters in this new edition have been updated with descriptions and relevant analysis of significant events including two Israeli Hamas wars terrorism attacks e g Boston Marathon Charlie Hebdo San Bernadino etc global reactions often hostility to refugees in the United States and especially Europe the development of ISIS surveillance Wiki Leaks Snowden NSA and the growing significance of social media The text explains how the social construction of fear is used to steer public and foreign policy arguing that security policies to protect the citizenry from violence have become control systems that most often curtail privacy and civil liberties

Framing Terrorism Pippa Norris, Montague Kern, Marion Just, 2004-08-02 Terrorism now dominates the headlines across the world from New York to Kabul *Framing Terrorism* argues that the headlines matter as much as the act in political terms Widely publicized terrorist incidents leave an imprint upon public opinion muzzle the watchdog role of journalists and promote a general one of us consensus supporting security forces
