becoming one of the youngest owners in baseball history Stoneham played a pivotal role in not just his team's history but the game itself In the mid 1940s when the Pacific Coast League sought to gain Major League status few but Stoneham and Branch Rickey took it seriously and twelve years later the Giants and Dodgers were the first two teams to relocate west Stoneham signed former Negro Leaguers Monte Irvin and Hank Thompson making the Giants the second National League franchise to racially integrate In the late 1940s the Giants hired their first Spanish speaking scout and soon became the leading team in developing Latin American players Stoneham was shy and self effacing and avoided the spotlight His relationships with players were almost always strong yet for all his leadership skills and baseball acumen sustained success eluded most of his teams In forty seasons his Giants won just five National League pennants and only one World Series The Stoneham family business struggled and the team was forced to sell off its beloved stars first Willie Mays then Willie McCovey and finally Juan Marichal Then Stoneham had no choice but to sell the club in 1975 While his tenure came to an unfortunate end he is heralded as a pioneer and leader whose story tells much of baseball history from the 1930s through the 1970s
