

Tertullian, Cyprian, & Origen + ON THE LORD'S PRAYER +

translated by ALISTAIR STEWART-SYKES

Alistair Stewart-Sykes has provided us herein with very readable, accurate, and generally inclusive translations of these three great spiritual classics in a way that should appeal to all readers. What is more, by means of his helpful introductions and notes, he has placed these works in their respective historical/liturgical/theological contexts. This volume merits wide use and readership in several different environments, from general reading to parish education sessions to the university and seminary classroom.

—MAXWELL E. JOHNSON

Professor of Liturgical Studies, University of Notre Dame

These are the only three existing ante-Nicene treatises on the Lord's Prayer, and they became the starting point for many other commentaries. Of the three, however, only the discourse of Cyprian is an address to catechumens. Tertullian's treatise contains additional material on the conduct of worship and on prayer in the assembly, and Origen's commentary is a vast work on the whole subject of prayer, as much suited to advanced learners in the school of Christ as to those preparing for baptism.

Alistair Stewart-Sykes, a leading scholar of Christian liturgical origins, is the author of three books on early Christian liturgy and is Vicar in the Diocese of Salisbury, England.
