Tesio Myth:

The Tesio Myth Franco Varola, 1984-01-01 *Horse Profiling: The Secret to Motivating Equine Athletes* Kerry Thomas, 2012-09-01 The Thomas Herding Technique is thoroughly explained in this book that helps trainers of top equine athletes get them to perform their very best while living happy contented lives While following wild horse herds in Wyoming and Montana independent researcher Kerry Thomas realized that what is inside the horse emotional conformation and not what is outside how a horse is built or its physical conformation is what governs herd dynamics He determined that this was the basis for everything horse whatever role a horse plays in a human environment whatever breed sport or job the emotional conformation dictates in large part success or failure Thomas identified a system of emotional profiling the Thomas Herding Technique that enables him to determine a horse s performance tendencies and then began to develop ways in which horses can be mentally conditioned toward a given goal The technique is already used by some leading racehorse training and breeding programs in the world and this book explains this unique way of analyzing the psyche of the equine athlete for all horses and particularly those in competitive careers where performance is a primary focus **Tesio** Federico Tesio, 2005 Federico Tesio 1869 1954 is the most successful breeder of Thoroughbreds in the history of racing The horses he bred at his Dormello Stud on the banks of Lake Maggiore in northern Italy continue to have a genetic impact on Thoroughbreds around the world This new faithful translation of Tesios 1947 work *Puro Sangue Animale da Esperimento* The Pure Blood An Animal of Experimentation captures every idea and nuance of the original Italian text In it the reader will find this great breeders own views on genetics and the Thoroughbred as a hybrid what he looks for in the first 64 ancestors of a horses pedigree why heavily raced horses rarely produce successful offspring and more He also shares his Law of Changeable Maximums and Law of Similar but not Identical Federico Tesio has been the envy of racehorse breeders for generations Now Tesio In His Own Words can help unlock the secrets to his success **Mr. Darley's Arabian** Christopher McGrath, 2017-03-07 In 1704 a bankrupt English merchant sent home the colt he had bought from Bedouin tribesmen near the ruins of Palmyra Thomas Darley hoped this horse might be the ticket to a new life back in Yorkshire But he turned out to be far more than that and although Mr Darley s Arabian never ran a race 95% of all thoroughbreds in the world today are descended from him In this book for the first time award winning racing writer Christopher McGrath traces this extraordinary bloodline through twenty five generations to our greatest modern racehorse Frankel The story of racing is about man s relationship with horses and Mr Darley s Arabian also celebrates the men and women who owned trained and traded the stallions that extended the dynasty McGrath expertly guides us through three centuries of scandals adventures and fortunes won and lost our sporting life offers a fascinating view into our history With a canvas that extends from the diamond mines of South Africa to the trenches of the Great War and a cast ranging from Smithfield meat salesmen to the inspiration for Mr Toad and from legendary jockeys to not one but two disreputable Princes of Wales and a very unamused Queen Victoria Mr Darley s Arabian

shows us the many faces of the sport of kings Never Say Die James C. Nicholson, 2013-05-04 A history of the American horse that won Britain's greatest race and changed the Thoroughbred racing world A quarter of a million people braved miserable conditions at Epsom Downs on June 2 1954 to see the 175th running of the prestigious Derby Stakes Queen Elizabeth II and Sir Winston Churchill were in attendance along with thousands of Britons who were all convinced of the unfailing superiority of English bloodstock and eager to see a British colt take the victory They were shocked when a Kentucky born chestnut named Never Say Die galloped to a two length triumph at odds of 33 1 winning Britain's greatest race and beginning an important shift in the world of Thoroughbred racing Never Say Die traces the history of this extraordinary colt beginning with his foaling in Lexington Kentucky as well as the stories of the influential individuals brought together by the horse and his victory from the heir to the Singer sewing machine fortune to the Aga Khan Most fascinating is the tale of Mona Best of Liverpool England whose well placed bet on the long shot Derby contender allowed her to open the Casbah Coffee Club There her son met musicians John Lennon Paul McCartney and George Harrison later joining their band Featuring a foreword by the original drummer for the Beatles Pete Best this remarkable book reveals how an underdog's surprise victory played a part in the formation of the most successful and influential rock band in history and made the Bluegrass region of Kentucky the center of the international Thoroughbred industry Praise for Never Say Die Nicholson has done a very fine job of placing the unique role of Never Say Die in perspective within the specific confines of Thoroughbred racing history while at the same time explaining how this horse was touched by a vivid array of characters in other social and historical contexts Who would have imagined that a racehorse would link such diverse institutions as the Singer sewing machine company the Epsom Derby and the Beatles Edward L Bowen author of *The Lucky Thirteen* As a reader I was left with a clear understanding of how the breeding industry has gone global and importantly how it will always follow the money Racing enthusiasts will enjoy how the author sews together this unusual patchwork of characters into a narrative John Eisenberg author of *The Great Match Race When North Met South in America's First Sports Spectacle* Enlightening and entertaining Nicholson's tale of close connections and global links is a yarn worth following Wall Street Journal Chronicle of the Horse ,1984-10 *The Thoroughbred Business* Jocelyn De Moubray,1987 AB Bookman's Weekly ,1997 Country Life ,1984 *National Agricultural Library Catalog* National Agricultural Library (U.S.),1984
