The Third Testament-Spirit of Truth T. R. Ross,2007-12-02 Did I not promise that all knowledge would be restored to its original truth Christ s prophecy has been fulfilled The following words have become absolute reality I have yet many things to say unto you but ye cannot bear them now Howbeit when he the Spirit of truth is come he will guide you into all truth John 16 12 13 This book of my teachings has been formed from the lessons of love and charity and dictated to you through human understanding Since ancient times I have entrusted to you my teachings through my envoys my emissaries my interpreters and you have used it to create myths and traditions But you will not fulfill your purpose unless you meditate and study this lesson with respect and love Truly I say to you that he who meditates and analyzes the teachings of my Book with a true desire to elevate his knowledge will acquire the light for his spirit and he will feel Me nearer to him **New York Times Saturday Book Review Supplement** ,1966 **A History of the New Testament Times** Adolf Hausrath,1895 A New Chronology for Old Testament Times Jan Van Tuyl,2012 This book brings solutions to a very great list of hitherto unsolved chronological and synchronisation problems The reason why those solutions could be found lies in the extensive research the author made in old and often rare texts instead of limiting himself to the near exclusive source of the Bible Ample use has been made of information that is available in works like the Books of Enoch The Apocrypha The Legends of the Jews The Seder Olam the Book of Jasher and many more as well as in the texts from known historians like Herodotus and the famous Jewish historian and priest Flavius Josephus Just a few of the many special findings are The real reason why Joseph was so popular with the Pharaoh Sarah was not Abraham s half sister Moses was uncircumcised and even forbade the ritual for 40 years Terah was not 70 years old when he begat Abraham The exact period of the Judges when they started and when they ended A solution for the verse of the about 450 years of Paul s speech Why did the Lord God give form and then blew life into Adam Eve was not made out of Adam s rib but from another body part A solution to the impossible synchronism of Judah and his sons Enoch made not one but 4 trips to Heaven The definitive answer why did King Josiah attack Necho II Why did King Ahab not fight at Qarqar And many more The book has a unique style It has nothing of the study book difficult to understand texts The subject is serious well researched and treated with respect But that does not mean that it cannot be presented at a fast moving pace in easy to read style with here and there even a bit of humour The purpose of the book is to prove that the promise that the Lord God made to Adam was kept It held that there would be exactly 5500 years between the arrival of Adam in this world and the arrival of Christ Every person who was of importance in that timespan has been visited For every

single one there are his years of birth and death or the years of his rule Every person has a short story about some important part of his life his actions or the influence he had on the history of the Hebrew people that lived in that period Three Testaments Brian A. Brown,2014-01-02 From disagreement over an Islamic Center in New York to clashes between Christians and Muslims in Egypt tension between the three Abrahamic faiths often runs high Yet for all their differences these three traditions Judaism Islam and Christianity share much in common Three Testaments brings together for the first time the text of the Torah the New Testament and the Quran so that readers can explore for themselves the connections as well as the points of departure between the three faiths Notable religion scholars provide accessible introductions to each tradition and commentary from editor Brian Arthur Brown explores how the three faiths may draw similarities from the ancient Zoroastrian tradition This powerful book provides a much needed interfaith perspective on key sacred texts *NLT Streetlights New Testament* Tyndale,2021-04-06 The NLT Streetlights New Testament is a visually compelling easy to understand resource for churches ministries and individuals Linking to remarkably creative audio and video resources the NLT Streetlights New Testament explains Christian truth to young people and serves as a basic discipleship tool for ministries Its unique tone and approach to the gospel have strong appeal for those in an urban culture The feature content focuses on helping the reader engage the Word of God The Corner Talk features answer these key questions Who is God Who am I What do I do This New Testament also includes QR codes that link to the entire Streetlights New Testament Audio Bible as well as to visually compelling teaching videos
