Texans Their State 2vol:

A History of Texas and Texans Francis White Johnson, 1914 **Why Texans Fought in the Civil War** Charles David Gear, 2012-09-01 In *Why Texans Fought in the Civil War* Charles David Gear provides insights into what motivated Texans to fight for the Confederacy Mining important primary sources including thousands of letters and unpublished journals he affords readers the opportunity to hear often in the combatants own words why it was so important to them to engage in tumultuous struggles occurring so far from home As Gear notes in the decade prior to the Civil War the population of Texas had tripled The state was increasingly populated by immigrants from all parts of the South and foreign countries When the war began it was not just Texas that many of these soldiers enlisted to protect but also their native states where they had family ties *American Constitutional Law 8E, 2-VOL SET* Ralph A. Rossum, 2021-11-19 *American Constitutional Law* provides a comprehensive account of the nation s defining document Based on the premise that the study of the Constitution and constitutional law is of fundamental importance to understanding the principles prospects and problems of America the volumes in this set put current events in terms of what those who initially drafted and ratified the Constitution sought to accomplish The authors examine the constitutional thought of the founders as well as interpretations of the Constitution by the Supreme Court Congress the President lower federal courts and state judiciaries Volume I focuses on federal rights and powers and volume II focuses on individuals rights and responsibilities Available individually or as a two volume set they are perfect for a one or two semester course on constitutional law and civil liberties *History of the North Mexican States and Texas: "History of the north Mexican states and Texas", 1801-1889* Hubert Howe Bancroft, 1889 **History of the north Mexican states and Texas. 1886-89** Hubert Howe Bancroft, 1889 **Catalogue of the New York State Library: 1855** New York State Library, 1856 **Texas Divided** James Marten, 2021-10-21 The Civil War hardly scratched the Confederate state of Texas Thousands of Texans died on battlefields hundreds of miles to the east of course but the war did not destroy Texas s farms or plantations or her few miles of railroads Although unchallenged from without Confederate Texans faced challenges from within from fellow Texans who opposed their cause Dissension sprang from a multitude of seeds It emerged from prewar political and ethnic differences it surfaced after wartime hardships and potential danger wore down the resistance of less than enthusiastic rebels it flourished as some reaped huge profits from the bizarre war economy of Texas *Texas Divided* is neither the history of the Civil War in Texas nor of secession or Reconstruction Rather it is the history of men dealing with the sometimes fragmented southern society in which they lived some fighting to change it others to preserve it and an examination of the lines that divided Texas and Texans during the sectional conflict of the nineteenth century *Catalogue of the New York State Library* New York State Library, 1856 **History of the Pacific States of North America** Hubert Howe Bancroft, 1889 **Catalogue of the New-York State Library** New York State Library (Albany), 1856
