

TEXAS WIT & WISDOM

Texas Wit Wisdom Tape

Carole Marsh

Texas Wit Wisdom Tape:

Wit, Wisdom, and Foibles of the Great, 1918 Words on Cassette, 2002 R R Bowker Publishing, 2002 Texas Bookstore Book Carole Marsh, 1991-09 **Doctor Dave's Wit and Wisdom at the Bridge Table**, TX Ate Eol 2000 G 10 Holt Rinehart & Winston, 2000 **Cartooning Texas** Maury B. Forman, 1993 Cartooning Texas presents a century of this state's history through a craft that is one of the nation's liveliest art forms Few states have enjoyed as rich a history of political cartooning as the great state of Texas William Sydney O Henry Porter and his depiction of railroad graft turn of the century Tobe Bateman and his trademark goat Pulitzer Prize winner Ben Sargent these cartoonists have helped readers understand what this country's changes would mean to them Even the first cartoon known to have lampooned native son Lyndon Johnson appears in these pages Their sometimes humorous always pointed lines have appeared in the Austin American Statesman the Rolling Stone the Houston Post the Dallas Morning News and other state papers With deft movements of pen across page they have portrayed the events and personalities that have shaped public life Lone Star cartoonists have provided a record that will amuse and educate new generations of Texans as well as those who remember the originals Maury B Forman and Robert A Calvert provide context and explanations for each cartoon and overviews of each decade's main developments in the art *Lizard Tales* Ron Shirley, 2010-12-11 Reality TV star Shirley shares the hard learned life lessons he has accumulated over the years filled with side splitting humor and liberally sprinkled with the Ronisms that have become his trademark **Tag Teaming the Press** James E. Mueller, 2008-06-27 Tag Teaming the Press James Mueller's lively account of the evolution of the press relations of Bill and Hillary Clinton begins with the couple's earliest student political activism in the sixties and continues through Hillary's run for the White House in 2008 Based largely on interviews with the journalists who covered them the book explains how the most powerful political couple in America learned to handle the media an indispensable skill for the twenty first century politician Mueller shows that the Clintons honed that skill through years of interacting with journalists_ as campaign workers as candidates and as candidates spouses He also makes clear that it is the latter category that makes the Clintons unique among American political couples At various times in their more than 30 years in politics Bill and Hillary have fulfilled a number of roles for each other in dealing with reporters including lightning rod bad cop good cop and schmoozer Mueller examines each of these roles and discusses how the Clintons played them sometimes winning sometimes losing but always well worth watching Written in an engaging style but based on thorough research Tag Teaming the Press is a valuable resource for students of media and politics and an informative read for anyone who cares about American democracy and the role the press plays in it **Jack Kent** Paul V. Allen, 2023-07-31 Jack Kent 1920 1985 had two distinct and successful careers newspaper cartoonist and author of children's books For each of these he drew upon different aspects of his personality and life experiences From 1950 to 1965 he wrote and drew King Aroo a nationally syndicated comic strip beloved by fans for its combination of absurdity fantasy wordplay and

wit The strip's DNA was comprised of things Kent loved fairytales nursery rhymes vaudeville Krazy Kat foreign languages and puns In 1968 he published his first children's book Just Only John and began a career in kids books that would result in over sixty published works among them such classics as The Fat Cat and There's No Such Thing as a Dragon Kent's stories for children were funny but often arose from the dark parts of his life an itinerant childhood an unfinished education two harrowing tours of duty in World War II and a persistent lack of confidence and tackled such themes as rejection isolation self doubt and the desire for transformation Jack Kent The Wit Whimsy and Wisdom of a Comic Storyteller illuminates how Kent's life experiences informed his art and his storytelling in both King Aroo and his children's books Paul V Allen draws from archival research brand new interviews and in depth examinations of Kent's work Also included are many King Aroo comic strips that have never been reprinted in book form *Congressional Record* United States. Congress, 2017-06-12

Unveiling the Magic of Words: A Report on "**Texas Wit Wisdom Tape**"
