Tongate, 2021-10-05 Lucy Pier Stevens a twenty one year old woman from Ohio began a visit to her aunt s family near
Bellville Texas on Christmas Day 1859 Little did she know how drastically her life would change on April 4 1861 when the
outbreak of the Civil War made returning home impossible Stranded in enemy territory for the duration of the war how would
she reconcile her Northern upbringing with the Southern sentiments surrounding her Lucy Stevens s diary one of few women
s diaries from Civil War era Texas and the only one written by a Northerner offers a unique perspective on daily life at the
fringes of America s bloodiest conflict An articulate educated and keen observer Stevens took note of seemingly everything
the weather illnesses food shortages parties church attendance chores schools childbirth death the family s slaves and
political and military news As she confided her private thoughts to her journal she unwittingly revealed how her love for her
Texas family and the Confederate soldier boys she came to care for blurred her loyalties even as she continued to long for her
home in Ohio Showing how the ties of heritage kinship friendship and community transcended the sharpest division in US
history this rare diary and Vicki Adams Tongate s insightful historical commentary on it provide a trove of information on
women s history Texas history and Civil War history *Celebrating 100 Years of the Texas Folklore Society, 1909-2009*
Kenneth L. Untiedt, 2009 The Texas Folklore Society is one of the oldest and most prestigious organizations in the state Its

contributions to the field of folklore over the last century Some articles focus on the research that was done in the past while
others offer studies that continue today This book does more than present a history of the Texas Folklore Society it explains
