John Bunyan

Sinners Saints And Servants:

Sinner, Servant, Saint Margaret O'Reilly, His neighbors thought he was spoiled and lazy His teachers found him incorrigible His own father believed he was crazy His mother never doubted that he was a true son of God Arrogant and grandiose young Francis di Bernardone was an embarrassment to his family and a source of amusement to his community He led a lavish undisciplined life squandering his father s fortune on the finest food wine and late night parties with his coterie of friends Convinced that he was destined for greatness Francis joined the fight for Assisi s independence fully expecting to find glory in battle Those dreams were crushed when he was captured by the enemy and held in a medieval dungeon for a year After his release Francis resumed his search for glory but this time he sought the Glory of God In his determination to follow Christ s example of humility and poverty Francis was beset by ill health family strife abuse derision war Vatican politics and his own shortcomings Yet many were inspired by the authenticity of his message and his obvious conviction A brotherhood formed around him that grew from twelve to many thousands within his lifetime The Friars Minor now called Franciscans after their founder has spread worldwide and continued through the centuries to carry forward Francis legacy of bringing Christ to the world

Long May Thy Servant Feed Thy Sheep Yuta Seki, 2025-08-21 Benjamin Beddome 1718-1795 was an eighteenth century English Particular Baptist pastor. He was well known in his day as an eminent minister exceptional hymnwriter and effective preacher accordingly he received invitations to pastor more prominent churches in Bristol and London. Beddome however chose to remain in the more obscure station of Bourton on the Water in the Cotswolds of England where he pastored the same church for fifty-two years. After his death in 1795 his influence continued through the publication of his sermons hymns and catechism. Today however the Bourton pastor has largely been forgotten by evangelical Christians. This study constructs the pastoral theology of this useful minister and retrieves wisdom for the contemporary church and its pastors.
