Spectacular Sins John Piper,2008-09-12 John Piper delivers powerful biblical reassurances to bolster readers trust in the sovereignty of God and the supremacy of Christ when evil and tragedy come If God governs the sinful acts of men then does the devastation caused by those terrorists dictators murderers cheats and abusers discredit Jesus words All authority in heaven and earth belongs to me When heart rending news comes of the latest accident illness or natural disaster can we really believe that in Jesus all things hold together Though God has not answered all of our questions about sin and suffering there are things he wants us to know things he declares in his Word such as what is at stake in the spectacular sins of others and the horrible tragedies of this life their global purpose both historically and today and what these events say to us personally As John Piper works through these biblical truths this book will bolster readers trust in the utter sovereignty of God such that they ll be less timid in their witness and less afraid of whatever may come It is also a joy infused declaration that because everything occurs through Christ and for Christ and his glory they are forever secure in him
