Fortunately romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it including fans searching for reading material as well as for library staff scholars and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre* published in 1999. While the emphasis is on newer titles many of the important older classics are retained keeping the focus of the book on the entire genre instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances a new section on Chick Lit in the Contemporary Romance chapter an expansion of coverage on the alternative reality subset.
