Sistering Power And Change In Female Relationships

Leonore Davidoff

Sistering Power And Change In Female Relationships:

Sistering Melanie L. Mauthner, 2002 **Sistering** Melanie L. Mauthner, 2005-06-11 This book explores the significance of sister relationships in women's lives. It documents sistering experiences through narratives of growing up, caring for the family, leaving home, and becoming a mother. Drawing parallels between sistering and caring, the book presents new material on a widespread yet invisible aspect of the social construction of femininity.

Forced to Be Family Cheryl Dellasega, 2007-09-28 You can survive the kitchen wars and live in peace with your family. My sisters-in-law couldn't stand me. I was really hurt when my kids weren't mentioned in their grandmother's obituary because they weren't full-blooded family. My mom is always giving advice, always telling me to do such and such when she doesn't do it herself. If my husband and I have a fight, she takes his side. My sister did call me a week later to apologize but proceeded to tell me everything that was wrong with me, my husband, and my children. Sound familiar? There's nothing new or unusual about conflict between mothers, sisters, and other female family members, but that doesn't make it any less painful or destructive. Adding to the hurt of relational abuse within the family is the permanent nature of the relationship: you can sever relations with an abusive friend, but you can't stop being the sister, daughter, niece of an abusive relative. Does that mean there's no way out? In *Forced to Be Family*, you'll discover how to determine whether a female family member is being abusive, recognize the sources of that abuse, and break the vicious cycle that keeps the abuse alive. You don't have to choose between accepting abuse and making a scene. This insightful, reassuring guide gives you the strategies and understanding you need to reestablish warm and loving relationships with the women who will always be closest to you.

Female Faith Practices Nicola Slee, Dawn Llewellyn, Kim Wasey, Lindsey Taylor-Guthartz, 2023-08-01 This book explores female faith practices, drawing on qualitative research to consider how women navigate and create spiritual and religious practices. The chapters cover Christian, Muslim, Jewish, and Buddhist contexts, as well as newer spiritual movements. The contributors examine prayer and ritual practices and familial, educational, and ritual spaces and relationships in a variety of cultural settings. The volume reflects on the ways in which women subvert traditional or patriarchal religious practices and spaces, both problematising and expanding existing notions of religious practice. It also touches on research itself as a form of spiritual and academic practice, considering ways in which women challenge androcentric modes of research, as well as ways in which the subject of research in this case, female faith, may challenge the researcher's convictions and practice. Blending case studies with empirical research, this book will be an outstanding resource to theologians and researchers interested in Practical Theology, Gender Studies, Sociology of Religion, and Anthropology.

The Complete Book of Sisters Luisa Dillner, 2010-10-07 A sister is for life: your best friend or your worst enemy. She is the yardstick by which you measure how well you're doing, and the keeper of your family secrets. She may be the first person you rush to when something wonderful happens, or the one whose shoulder you cry on. She's the one you're compared to, and the one to compete with. In this entertaining collection, there are sisters ranging from the loving

Brontë to the scrapping Mitfords who could never remember who was in and who was out of favour to the Pankhursts who fought for women's suffrage only to fall out with each other to sisters of Lenin and Hitler and of Kings and Queens There are sisters whose job it is to compete with each other such as Venus and Serena Williams It wasn't fun eliminating my little sister but I have to be tough said Venus A Lewis Carroll poem says never stew your sister If cooking her isn't allowed what is the worst thing you can do to your sister If you want to make sure she'll never forgive you pinch her man or borrow her clothes

The Female Characters of Fragmentary Greek Tragedy P. J. Finglass, Lyndsay Coe, 2020-07-02 Sheds new light on the topic of women in tragedy by focusing on neglected evidence from the fragments *Thicker Than Water* Leonore Davidoff, 2012 A pioneering new study of nineteenth century kinship and family relations focusing on the British middle class and highlighting both the similarities and the differences in relations between brothers and sisters in the past and in the present **Adult Sibling Relationships** Geoffrey L. Greif, Michael E. Woolley, 2015-12-08 The bond siblings develop in childhood may be vastly different from the relationship that evolves in adulthood Driven by affection but also characterized by ambivalence and ambiguity adult sibling relationships can become hurtful uncertain competitive or exhausting though the undercurrents of love and loyalty remain An approach that recognizes the positive aspects of the changing sibling relationship as well as those that need improvement can restore healthy ties and rebuild family closeness With in depth case studies of more than 260 siblings over the age of forty and interviews with experts on mental health and family interaction this book offers vital direction for traversing the emotional terrain of adult sibling relations It pursues a richer understanding of ambivalence a normal though little explored feeling among siblings and how ambiguity about the past or present can lead to miscommunication and estrangement For both professionals and general readers this book clarifies the most confounding elements of sibling relationships and provides specific suggestions for realizing new productive avenues of friendship in middle and later life skills that are particularly important for siblings who must cooperate to care for aging parents or give immediate emotional or financial support to other siblings or family members *The SAGE Handbook of Identities* Margaret Wetherell, Chandra Talpade Mohanty, 2010-03-23 Overall its breaking of disciplinary isolation enhancing of mutual understanding and laying out of a transdisciplinary platform makes this Handbook a milestone in identity studies Sociology Increasingly identities are the site for interdisciplinary initiatives and identity research is at the heart of many transdisciplinary research centres around the world No single social science discipline owns identity research which makes it a difficult topic to categorize The SAGE Handbook of Identities systematizes this complex field by incorporating its interdisciplinary character to provide a comprehensive overview of its themes in contemporary research while still acknowledging the historical and philosophical significance of the concept of identity Drawing on a global scholarship the Handbook has four parts Frameworks presents the main theoretical and methodological perspectives in identities research Formations covers the major formative forces for identities such as culture globalisation migratory patterns biology and so on

Categories reviews research on the core social categories central to identity such as ethnicity gender sexuality disability and intersections between these Sites and Context develops a series of case studies of crucial sites and contexts where identity is at stake such as social movements relationships work places and citizenship

Interpersonal Relations Across the Life Course Timothy J Owens, J. Jill Suitor, 2007-09-05 This volume number 12 is subtitled Interpersonal Relations across the Life Course It is inspired by the increased awareness in recent years of the way in which structural and psychosocial dimensions of the life course shape interpersonal relations Interest in this issue has included both the maintenance of long term relationships that may span many phases of the life course and the development of relationships that are specific to particular phases The volume is a combination of invited and author initiated papers all anonymously peer reviewed that seeks to present a cohesive source of information on the multiform nature and influences of interpersonal relations from a variety of perspectives theoretical frames and substantive areas Contributions reflect Macro micro linkages and interpersonal relations i e age structures social institutions and race ethnicity Parenting across the life course Parent adult child relations and transitions Transitions in non kin relationships Social relationships and well being
