Sisu Even Through A Stone Wall:

Sisu, "Even Through a Stone Wall" Oskari Tokoi, 2018-12-01 Originally published in 1957 *Sisu Even Through a Stone Wall* is the English language edition of the memoirs of the Social Democratic premier of Finland of 1917 Oskari Tokoi Included are his account of events in Helsinki and Russo Finnish relations during 1917 the Finnish civil war and the little known story of the Finnish Legion's role in the Allied intervention in North Russia *sisu* something that surpasses fearlessness and extraordinary endurance a kind of inner fire or superhuman nerve force courage tenacity stubborn determination energy and a will and an ability to get things done The record is now before us and it constitutes in my opinion an inspiring revelation of Finnish *sisu* It took real bravery for a young country lad of eighteen to emigrate to the New World in 1891 and to toil long hours in the eerie half darkness of Wyoming and Colorado mines disdainful of the large chunks of rock and ore hanging overhead which seemed to warn Beware Someday we'll fall and bury you John I Kolehmainen **Sisu** Oskari Tokoi, 1957-01-01 *Sisu Even Through a Stone Wall* Oskari Tokoi, 2011-10-01 The Autobiography Of The First Premier Of Finland **The Nordic Art of Sisu** Justyn Barnes, 2020-02-25 Often translated as resilience or perseverance the Finnish concept of *sisu* is about never giving up even when a task is seemingly impossible Considered a hot topic of popular psychology *sisu* is regarded as having a positive impact on mental health At the heart of *sisu* is the idea of getting back up from failures whether that be losing a job or the end of a relationship and having the courage to use that experience to further oneself Running a marathon and feel like you've hit a wall Got a business idea but too scared to try it Channelling *sisu* can be the key to overcoming both mental and physical blocks Although a Finnish concept this book explains how anyone can embrace *sisu* and channel their inner courage to make the most of any situation [Sisu, "even Through a Stone Wall"](#) Oskari Tokoi, 1957 **Sibelius** Glenda Dawn Goss, 2009-12-15 One of the twentieth century's greatest composers Jean Sibelius 1865-1957 virtually stopped writing music during the last thirty years of his life Recasting his mysterious musical silence and his undeniably influential life against the backdrop of Finland's national awakening Sibelius will be the definitive biography of this creative legend for many years to come Glenda Dawn Goss begins her sweeping narrative in the Finland of Sibelius's youth which remained under Russian control for the first five decades of his life Focusing on previously unexamined events Goss explores the composer's formative experiences as a Russian subject and a member of the Swedish speaking Finnish minority She goes on to trace Sibelius's relationships with his creative contemporaries with whom he worked to usher in a golden age of music and art that would endow Finns with a sense of pride in their heritage and encourage their hopes for the possibilities of nationhood Skillfully evoking this artistic climate in which Sibelius emerged as a leader Goss creates a dazzling portrait of the painting sculpture literature and music it inspired To solve the deepest riddles of Sibelius's life work and enigmatic silence Goss contends we must understand the awakening in which he played so great a role Situating this national creative tide in the context of Nordic and European cultural currents Sibelius dramatically

deepens our knowledge of a misunderstood musical giant and an important chapter in the intellectual history of Europe A

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state
