Craig Collie, Hajime Marutani

Sittang The Last Battle Epic Story Of An Unsung Japanese Army:

Sittang Louis Allen,1973 Historien om den 28 japanske h rs nederlag ved Sittang Burma overfor britisk indiske tropper 1945 **Sittang** Louis Allen,1973 **Harp of Burma** Michio Takeyama,2011-12-20 Harp of Burma is Japan s classic novel of pathos and compassion in the midst of senseless warfare Winner of the prestigious Mainichi Shuppan Bunkasho prize and the basis for the critically acclaimed film The Burmese Harp by Ichikawa Kon Harp of Burma shares a powerful human story about Japanese soldiers on the front lines in WWII Losing a desperate battle against British forces in the tropical jungles of Burma the young soldiers discover that the trials of war involve more than just opposing the enemy Distressed and disoriented by the alien climate and terrain strange behavior of foreigners and the emotions stirred by the senselessness of war their commander s ability to lead them in song helps them discover music s power to make even the most severe situations more tolerable Even though they face the inevitability of defeat singing the songs of their homeland revives their will to live Through the story of these men and of the music that saw them through the war Takeyama presents thought provoking questions about political hostilities and the men who unleash them Harp of Burma is Japan s classic novel of pathos and compassion in the midst of senseless warfare **Road of Bones** Fergal Keane,2010 Kohima In this remote Indian village near the border with Burma a tiny force of British and Indian troops faced the might of the Imperial Japanese Army Outnumbered ten to one the defenders fought the Japanese hand to hand in a battle that was amongst the most savage in modern warfare A garrison of no more than 1 500 fighting men desperately short of water and with the wounded compelled to lie in the open faced a force of 15 000 Japanese They held the pass and prevented a Japanese victory that would have proved disastrous for the British Another six weeks of bitter fighting followed as British and Indian reinforcements strove to drive the enemy out of India When the battle was over a Japanese army that had invaded India on a mission of imperial conquest had suffered the worst defeat in its history Thousands of men lay dead on a devastated landscape while tens of thousands more Japanese starved in a catastrophic retreat eastwards They called the journey back to Burma the Road of Bones as friends and comrades committed suicide or dropped dead from hunger along the jungle paths Fergal Keane has reported for the BBC from conflicts on every continent over the past 25 years and he brings to this work of history not only rigorous scholarship but a raw understanding of the pitiless nature of war It is a story filled with vivid characters the millionaire s son who refused a commission and was awarded a VC for his sacrifice in battle the Roedean debutante who led a guerrilla band in the jungle and the General who defied the orders of a hated superior in order to save the lives of his men Based on original research in Japan Britain and India Road of Bones is a story about extraordinary courage and the folly of imperial dreams *So Sad to Fall in Battle* Kumiko Kakehashi,2007 The Battle of Iwo Jima has been memorialized innumerable times as the subject of countless books and motion pictures most recently Clint Eastwood s films Flags of Our Fathers and Letters from Iwo Jima and no wartime photo is more famous than Joe Rosenthal s Pulitzer Prize winning image of

Marines raising the flag on Mount Suribachi Yet most Americans know only one side of this pivotal and bloody battle First published in Japan to great acclaim becoming a bestseller and a prize winner So Sad to Fall in Battle shows us the struggle through the eyes of Japanese commander Tadamichi Kuribayashi one of the most fascinating and least known figures of World War II As author Kumiko Kakehashi demonstrates Kuribayashi was far from the stereotypical fanatic Japanese warrior Unique among his country s officers he refused to risk his men s lives in suicidal banzai attacks instead creating a defensive insurgent style of combat that eventually became the Japanese standard On Iwo Jima he eschewed the special treatment due to him as an officer enduring the same difficult conditions as his men and personally walked every inch of the island to plan the positions of thousands of underground bunkers and tunnels The very flagpole used in the renowned photograph was a pipe from a complex water collection system the general himself engineered Exclusive interviews with survivors reveal that as the tide turned against him Kuribayashi displayed his true mettle Though offered a safer post on another island he chose to stay with his men fighting alongside them in a final fearless and ultimately hopeless three hour siege After thirty six cataclysmic days on Iwo Jima Kuribayashi s troops were responsible for the deaths of a third of all U S Marines killed during the entire four year Pacific conflict making him in the end America s most feared and respected foe Ironically it was Kuribayashi s own memories of his military training in America in the 1920s and his admiration for this country s rich gregarious and self reliant people that made him fear ever facing them in combat a feeling that some suspect prompted his superiors to send him to Iwo Jima where he met his fate Along with the words of his son and daughter which offer unique insight into the private man Kuribayashi s own letters cited extensively in this book paint a stirring portrait of the circumstances that shaped him So Sad to Fall in Battle tells a fascinating never before told story and introduces America as if for the first time to one of its most worthy adversaries

The Path of Infinite Sorrow Craig Collie, Hajime Marutani, 2010-10-19 Japanese [The Breaking Jewel](#) Makoto Oda, 2003-01-23 Set on an island in the South Pacific during the final days of World War II when the tide has turned against Japan and the war has unmistakably become one of attrition The Breaking Jewel offers a rare depiction of the Pacific War from the Japanese side and captures the essence of Japan s doomed imperial aims The novel opens as a small force of Japanese soldiers prepares to defend a tiny and ultimately insignificant island from a full scale assault by American forces Its story centers on squad leader Nakamura who resists the Americans to the end as he and his comrades grapple with the idea of gyokusai translated as the breaking jewel or the pulverization of the gem the patriotic act of mass suicide in defense of the homeland Well known for his antiestablishment and antiwar sentiments Makoto Oda gradually and subtly develops a powerful critique of the war and the racist imperial aims that proved Japan s undoing

[No Surrender](#) Hiroo Onoda, 2013-12-04 In the spring of 1974 Second Lieutenant Hiroo Onoda of the Japanese army made world headlines when he emerged from the Philippine jungle after a thirty year ordeal Hunted in turn by American troops the Philippine police hostile islanders and successive Japanese search parties Onoda had

skillfully outmaneuvered all his pursuers convinced that World War II was still being fought and that one day his fellow soldiers would return victorious This account of those years is an epic tale of the will to survive that offers a rare glimpse of man s invincible spirit resourcefulness and ingenuity A hero to his people Onoda wrote down his experiences soon after his return to civilization This book was translated into English the following year and has enjoyed an approving audience ever since

Sittang The Last Battle Epic Story Of An Unsung Japanese Army Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever.
