Empire Islands Rebecca Weaver-Hightower, 2007 Through a detailed unpacking of the castaway genre's appeal in English literature Empire Islands forwards our understanding of the sociopsychology of British Empire Rebecca Weaver Hightower argues convincingly that by helping generations of readers to make sense of and perhaps feel better about imperial aggression the castaway story in effect enabled the expansion and maintenance of European empire Empire Islands asks why so many colonial authors chose islands as the setting for their stories of imperial adventure and why so many postcolonial writers write back to those island

castaway narratives Drawing on insightful readings of works from Thomas More's Utopia to Caribbean novels like George Lamming's Water with Berries from canonical works such as Robinson Crusoe and The Tempest to the lesser known A Narrative of the Life and Astonishing Adventures of John Daniel by Ralph Morris Weaver Hightower examines themes of cannibalism piracy monstrosity imperial aggression and the concept of going native Ending with analysis of contemporary film and the role of the United States in global neoimperialism Weaver Hightower exposes how island narratives continue not only to describe but to justify colonialism Rebecca Weaver Hightower is assistant professor of English and postcolonial studies at the University of North Dakota

The Gross Peter Bart, 2024-03-26 A look at the new Hollywood by the longtime editor in chief of Variety The ultimate insider follows the winners and losers of Hollywood's 1998 Summer Season Welcome to Hollywood where gambling is a way of life and the wagers run into the hundreds of millions of dollars But in the summer of 1998 all bets are off The man who knows every mover shaker and faker explains why no one can explain the surprising season Peter Bart goes behind the scenes like no one can to track the summer movies from development through release He will reveal why Godzilla could never live up to its hype how intense rivals Robert Redford and Warren Beatty saw their worst nightmares come true when they went head to head at the box office how Jim Carrey's Truman Show stole the show and how Steven Spielberg regained his title of king of the summer in a season where sleepers upset would be blockbusters While asteroid movies were colliding with each other a billionaire newcomer was making superhuman attempts to resuscitate a moribund Universal Studios With interviews from studio executives producers directors agents and stars Peter Bart unveils the winners and losers in the new Hollywood where creativity and commerce hang in a precarious balance **Friends**,

White Lens on Brown Skin Matthew B. Locey, 2023-02-21 From the earliest accounts of contact with Europeans Polynesians have been perceived as sensual and sexual beings By the late 1800s publications lectures and stage plays about the Pacific became popular across Europe and often contained exotic and erotic components This book details the fusion of truth and fiction in the representation of Pacific Islanders focusing on the sexualization of Polynesians in American cinema and other forms of mass communications and commercial entertainment With messaging almost subliminal to American audiences the Hollywood media machine produced hundreds of tropical film titles with images of revealing grass skirts scanty sarongs female toplessness and glistening exposed male pectorals This critical filmography demonstrates how the concept of sex sells especially when applied on a large scale shaped American social views on Polynesian people and their culture Chapters document this phenomenon and an annotated filmography of sexualized tropes and several appendices conclude the book including a glossary of Polynesian terms and a film index **Harrison Ford** Virginia Luzón-Aguado, 2020-05-28 Harrison Ford is known for such iconic roles as Han Solo Indiana Jones and Rick Deckard but his career of 50 years and counting encompasses a plethora of other thought provoking roles His off screen persona has been no less intriguing Covering a wide timespan this book assesses Harrison Ford as star from the difficult Hollywood studio years

where he began his blockbusters of the 1980s through to the impact of ageist culture on his artistry of recent years The author argues that Ford has generally been seen as a potent irresistible combination of tradition and modernity He is an actor who both reflects and utilises changing ideas about American masculinity in the context of Hollywood film production particular male types are revealed as much in his trademark trustworthy hero act as in his more fallible less conservative and therefore commercially riskier characters Luzon Aguado explores these particular star identities and every fluctuation in between She gives due attention to his much neglected acting abilities while examining the crucial interplay between star persona and the constraints and conventions of genre Going beyond standard accounts of Ford s production and pinpointing overlooked aspects of his work and the creation of the star through cultural artefacts like magazine interviews and advertising campaigns this book reveals the depth and dimensions of the enduring American screen legend that is Harrison Ford
