Guerrilla Networking Monroe Mann, Jay Conrad Levinson, 2009-07-29 GUERRILLA NETWORKING Traditional networking is all about meeting people The success you reap in life however is directly correlated to not how many people you meet but rather how many people want to meet you Guerrilla Networking is all about becoming the type of person other people want to meet Learn how from both guerrilla marketing legend Jay Conrad Levinson and guerrilla networking originator Monroe Mann Jay and Monroe have flipped the typical

networking mentality on its head but they've landed right side up and so can you if you read this book. You're in for a wild ride. Michael Port, author of *Book Yourself Solid*, an incredibly simple and yet original concept. The idea behind guerrilla networking makes perfect and logical sense. I recommend this book to all members of my networking organization. Dr. Ivan 20 Misner, founder of BNI and NY Times bestselling author of *Masters of Networking*. **Land Your Dream Career** by Tori Randolph Terhune and Betsy A. Hays, 2013-03-14. Contrary to what students and society are conditioned to think, obtaining a college degree does not automatically result in a job, let alone a dream career. In the last year alone, half of college graduates are either jobless or underemployed in positions that don't fully use their skills and knowledge. Authors Tori Randolph Terhune, a gainfully employed young college graduate herself, and Betsy A. Hays, a college professor, show readers what they can do in college to successfully pave the way for future employment in *Land Your Dream Career*. The authors provide eleven easy-to-follow strategies for effectively using time on campus to start building a career. Terhune and Hays lead students through content designed to help students set themselves up for success without focusing on grades or papers. The 11 steps include tips about how students can become experts in their fields, build their brand, get involved in and outside the classroom, allow for wiggle room, network, follow the 75/25 rule (75% thinking, 25% doing), and use new media such as social networking and blogging to launch their career. Any student looking for that connection from college to getting to their dream career needs to read *Land Your Dream Career*. Terhune and Hays make it known that landing a good job is not impossible. **Land Your Dream Career in College** by Tori Randolph Terhune and Betsy A. Hays, 2015-05-16. It is clear that the path from college to work has changed dramatically in recent years; current statistics show that half of young college graduates are either jobless or underemployed in positions that don't fully use their skills and knowledge. But landing a good job is not

Get Real and Get In by Dr. Aviva Legatt, 2021-08-03. An insider's college admissions guide that teaches students to identify and harness their unique passions, stand out from the crowd, and achieve their dreams. Dr. Aviva Legatt has spent her career in higher education as a professor, counselor, and admissions officer in the Ivy League, and she wants to let students in on a secret: admissions offices are sick of seeing the same cookie-cutter applications. What were once considered best practices for doing high school right are now so commonplace that they have become a liability. *Get Real and Get In* teaches readers to think outside the box and focus on what admissions officers are really looking for: young people who dare to be their most authentic selves. Through engaging, accessible, and empathetic prose, this book forms an inspirational roadmap for readers to uncover their true passions and leverage them to create applications that truly stand out from the crowd. It also features a variety of useful exercises and candid stories from many influential figures which teach students to look beyond just getting into a good college and focus more actively on identifying and attaining their long-term goals. *Get Real and Get In* is designed to ignite an essential mindset shift in students: stop trying to just get in and start figuring out exactly what you want from life and how to get it. Stop managing the impressions you make on admissions officers and start defying impressions. This is an

essential guide to cutting through the noise of the admissions process and gaining the confidence to forge one's own path to success in college and beyond *Romance Around the Corner* Valerie Beck, 2005-11 Think a good man is hard to find Let him find you Valerie Beck's *Romance Around the Corner* 8 Steps Toward Attracting the Man of Your Dreams and Having Fun in the Process shows you how to transform yourself inside and out so that you can attract the right one by being the right one Romance coach Valerie Beck created 8 steps that took her from being the dateless wonder to being the girl whose phone never stops ringing The 8 steps combine old wisdom common sense things our mothers told us and contemporary savvy *Romance Around the Corner* covers topics including Attracting men by choice not chance Eliminating self sabotage Your feminine energy what it is and why you need to turn it up Easy non verbal techniques to encourage men to approach you anywhere On a date how to dazzle discover and check your dealbreakers Why not having fun is not an option *Romance Around the Corner* is an engaging spiritual yet practical guide for any woman ready to attract the man of her dreams
