The conference topics include Educational Sciences, Innovative Applications of Teaching Technology, Modernized Vocational Education, Digital Media Technology, Digital Media Technology and Applications, Virtual Technology, and Intelligent Media Communication, Computational Communication, and Smart Media. The conference provided a platform for discussing scientific research findings and cutting edge technologies in the fields of new media development and modernized education to encourage collaboration in the industrialization of academic achievements. We invited specialists and intellectuals to attend the conference, sharing their excellent contributions and perspectives in the speeches. We hope that the scientific attitudes and skills developed through research will encourage scholars worldwide to contribute to the development of knowledge generated by research. Finally, we would like to express our gratitude to the conference chair, publication chairs, technical program committee chairs, local organizing chairs, program committee chairs, conference secretariat, and conference sponsors for their financial support, which made the successful organization of NMDME 2023 possible. We hope that this conference will continue to be held in the coming years, publishing more insightful articles with inspiring research. *The Training School Bulletin*, 1929 **Visual Studio 2010 and .NET 4 Six-in-One** István Novák, Andras Velvart, Adam Granicz, György Balássy, Attila Hajdrik, Mitchel Sellers, Gastón C.
