Slow Food Guide To Wines Of The World Food And Drink:

Slow Food Guide to the Wines of the World C. Petrini,1993 *Slow Food Guide to the Wines of the World* ,1993

Beverage Basics Robert W. Small,Michelle Couturier,2011-09-13 Beverage Basics presents a new approach to understanding wine and other alcoholic beverages The book includes an introduction to alcoholic beverages information on important issues such as purchasing beverages healthy drinking and alcohol and the law and an introduction to wine including viticulture viniculture and the sensory evaluation of wine The authors teach readers about wines by varietal as opposed to appellation which is a much simpler entry point for beginners to the world of wine In addition to all the major wine varietals Chardonnay Sauvignon Blanc Cabernet Sauvignon Merlot etc the book also covers hybrid and Native American varieties sparkling wines and dessert and fortified wines Chapters on beer and distilled spirits include information on making purchasing and evaluating beer and spirits The appendices include map filled sections on The Old World and The New World of wine as well as a thorough examination of the TTB requirements for alcoholic beverage labels and a complete glossary of terms Author Robert Small is former Dean and Emeritus Professor of The Collins College of Hospitality Management at California State Polytechnic University Pomona where he still teaches courses on wine spirits and beer and on beverage marketing and food and beverage management and is the Chairman of the Los Angeles International Wine competition one of the largest and most prestigious wine competitions in the United States **The Food & Wine Pairing Guide** Katinka van Niekerk,2012-01-27 Finding the perfect wine to complement a carefully prepared dish is often a hit and miss affair but this handy guide aims to change that Written in an accessible manner it seeks to convey the basic principles that underpin a good wine and food match and to enable the reader to make an appropriate choice The bulk of the book consists of an easy to use directory of dishes from soups and salads through main courses to cheese and dessert Each dish is briefly explained and matched with a wine recommendation based on the ingredients and cooking methods used The introduction covers topics such as how to pair food and wine likeness and contrast the relevance of sauces and cooking with wine Wine styles and grape varieties are given in depth coverage so that the reader can understand the essential characters that make particular wines good matches for specific foods Established rules such as red wine with red meat and white wine with fish are examined and the authors provide sound reasons for retaining or rejecting them Packed with practical useful information The Food and Wine Pairing Guide is set to become an indispensable reference for anyone who takes an interest in what they eat and drink
