Slumber Party 57:

Moneywood William Stadium, 2025-06-25 As wild and sexy and over the top as the decade it brings to life author William Stadium tells the inside story of Hollywood producers in the 80s From hits like Beverly Hills Cop Top Gun and Batman to flops like Heaven s Gate Howard the Duck and Leonard Part 6 Hollywood was never more excessive than it was in the 1980s In this the Moneywood era the purse strings were not controlled by reasonably consenting adults but by pop culture cowboys who couldn t balance their own checkbooks What they could do was sweet talk the talent seduce the starlets snowball the Japanese and slither out of Dodge when the low grosses trickled in Their out of control lifestyles and know nothing raging narcissistic personalities make the original brutal studio heads like Sam Goldwyn and Jack Warner seem like Oxford dons Yet for all their flops these Scoundrels of Spago turned Hollywood into a Big Business that was catnip to Wall Street They were The Producers and they were way beyond anything Mel Brooks could dream up The Moneywood cast of characters includes Simpson and Bruckheimer Guber and Peters Eisner Katzenberg Ovitz An unusual fresh take on the usual subjects Ray Stark the wizard of Holmby Hills the most powerful producer of the 80s Mario Kassab and Andy Vajna the Rambo boys who went from making wigs to making blockbusters Menahem Golan Yoram Globus the Israeli schlockmeisters who proved that every star had a price David Begelman the embezzler gambler and sex addict who was rewarded for his sins by getting to run both Columbia and MGM Roland Betts the aristocratic Silver Screen Partners founder and former Yale frat mate of George W Bush who was a master at playing the Reagan White House card Giancarlo Parretti the Italian cannery worker who bought MGM with a little help from his Sicilian friends David Puttnam The high toned English advertising whiz who was supposed to raise the Hollywood bar but ended up barred from Hollywood Moneywood is the ultimate expose of the real hit men of Hollywood s go go decade Filmfacts ,1977 **Movie/TV Soundtracks and Original Cast Recordings Price and Reference Guide** Jerry Osborne, 2002-11 **The Drive-In** Guy Barefoot, 2023-11-16 The Drive In meaningfully contributes to the complex picture of outdoor cinema that has been central to American culture and to a history of US cinema based on diverse viewing experiences rather than a select number of films Drive in cinemas flourished in 1950s America in some summer weeks to the extent that there were more cinemagoers outdoors than indoors Often associated with teenagers interested in the drive in as a passion pit or a venue for exploitation films accounts of the 1950s American drive in tend to emphasise their popularity with families with young children downplaying the importance of a film programme apparently limited to old low budget or independent films and characterising drive in operators as industry outsiders They retain a hold on the popular imagination The Drive In identifies the mix of generations in the drive in audience as well as accounts that articulate individual experiences from the drive in as a dating venue to a segregated space Through detailed analysis of the film industry trade press local newspapers and a range of other primary sources including archival records on cinemas and cinema circuits in Arkansas California New York State and Texas this book examines how drive ins were integrated into local

communities and the film industry and reveals the importance and range of drive in programmes that were often close to that of their indoor neighbours

At a Theater or Drive-in Near You Randall Clark, 2013-12-17 Millions of Americans have been thrilled scared titillated and shocked by exploitation movies low budget films with many scenes of sex violence and other potentially lurid elements The term derives from the fact that promoters of such films exploit the contents in advertising that plays up the sexual or violent aspects of the films This is the first comprehensive study of the American exploitation film to be published It discusses five distinct genres the teen movie the sexploitation film the martial arts movie the blaxploitation film and the lawbreaker picture Contained within these genres are many popular American film types including beach movies biker pictures and women s prison movies The study provides a history and sociopolitical analysis of each genre focusing on significant films in those genres It also discusses the economics of exploitation films and their place in the motion picture industry the development of drive in theaters the significance of the teenage audience and the effect of the videocassette Finally the book applies major film and cultural theories to establish an aesthetic for evaluating the exploitation film and to explore the relationship between film and audience
