Small Groups Together We Can Grow:

Together We Equip Jody Dean, Hal Stewart, 2018-02-23 In Together We Equip you will discover the biblical foundation for equipping others. Equipping others in ministry is a process you bring with you as the leader. It's both personal and public. It's you as an individual and your church. This book will challenge you to take responsibility to grow spiritually, engage the culture, and share the gospel. Further, you will discover the impact of discipleship in the local church by examining mentoring, small groups, and preaching as relevant means to equip others. In the later chapters of the book, seasoned church ministry leaders with years of experience in making disciples through equipping ministry of the local church share many practical ways to equip others and lead church ministries: children's ministry, youth ministry, collegiate ministry, men's and women's ministry, adult and senior adult ministries. Many ministry leaders do not know how to make disciples. They know, accept, and believe the Great Commission (Matt 28:19-20). Yet they struggle with practical approaches and methods to carry out a viable equipping ministry. The book will help you elevate the importance of personal growth, making disciples, and assist you to align your age, graded, and gender-based ministry leadership development.

Growing People Through Small Groups David Stark, Betty Veldman Wieland, 2004-07-01 This fresh look at small groups starts with people and principles rather than program and structure. Stark and Wieland examine why many small group ministries fall short of their goals and they offer strategies that start with God's leading and people's needs.
