Small Thoughts:

"Little" Thoughts for the Day Joyce O'Bryant, 2018-05-01 A book of daily spiritual encouragement for elementary school children written by a dedicated Christian educator As a principal at a Christian elementary school Joyce O Bryant would start each morning by greeting her students over the intercom with a prayer and an inspiring thought for the day Those thoughts and prayers became the basis for this book a source of Christian encouragement and motivation aimed at pre school to fifth grade students speaking to the issues many students deal with on a daily basis throughout the school year Little Thoughts for the Day can be used by elementary administrators and teachers to help students start their days with uplifting thoughts or by parents who wish to share the thoughts with their children before they leave for school each day Formatted according to the school year calendar Little Thoughts for the Day includes thoughts relating to various holidays and school activities that make a big difference for their young ones The Size of Thoughts Nicholson Baker, 2011-08-24 The Size of Thoughts a collection of essays that have appeared in the New Yorker and other publications includes one never before published piece on the world of electronics The essays celebrate the joy and exquisite details of everything from library card catalogs and reading aloud to the significance of wine stains on a tablecloth Baker turns any subject from feeding a child to phone sex into literature with a style that is sparkingly original frequently beautiful and always thought provoking The Size of Thoughts through its varied forays into the realms of the overlooked the underfunded and the wrongfully scrapped is a funny book by one of the most distinctive stylists and thinkers of our time *Short Thoughts* C.
