“SHANA ABÉ HAS A RARE MAGIC.”—Jane Feather

Smoke Thief

Shana Abé

Smoke Thief:

The Smoke Thief Shana Abé, 2005-09-27 For centuries they've lived in secret among northern England's green and misted hills. Creatures of extraordinary beauty, power, and sensuality, they possess the ability to shape shift from human to dragon and back again. Now their secret and their survival is threatened by a temptation that will break every boundary. Dubbed the Smoke Thief, a daring jewel thief is confounding the London police. His wealthy victims claim the master burglar can walk through walls and vanish into thin air. But Christoff, the charismatic Marquess of Langford, knows the truth: the thief is no ordinary human but a runner who's fled Darkfrith without permission. As Alpha leader of the dra-kon, it's Kit's duty to capture the fugitive before the secrets of the tribe are revealed to mortals. But not even Kit suspects that the Smoke Thief could be a woman. Clarissa Rue Hawthorne knew her dangerous exploits would attract the attention of the dra-kon. But she didn't expect Christoff himself to come to London, dangling the tribe's most valuable jewel, the Langford Diamond, as bait. For as long as she could remember, Rue had lived the life of a halfling: half dra-kon, half mortal, and an outcast in both worlds. She'd always loved the handsome and willful Kit from the only place it was safe from afar. But now she was no longer the shy, timid girl she'd once been. She was the first woman capable of making the Turn in four generations. So why did she still feel the same dizzying sense of vulnerability whenever he was near? From the moment he saw her, Kit knew that the alluring and powerful beauty was every bit his Alpha equal and destined to be his bride. And by the harsh laws of the dra-kon, Rue knew that she was the property of the marquess. But they will risk banishment and worse for a chance at something greater. For now Rue is his prisoner; the diamond has disappeared, and she's made the kind of dangerous proposition a man like Kit cannot resist. In this bewitching novel, Shana Abé transports us into a world of exhilarating romance and magic.

Queen of Dragons Shana Abé, 2008-11-25 They are the stuff of glittering legend: supersensual creatures able to shape shift from human to smoke to dragon. Now they face an enemy determined to destroy their dazzling world of magic and passion. Queen of Dragons. It's a stunning claim: the existence of a lost dra-kon tribe. And it comes from an intriguing source: a woman calling herself Princess Maricara of Transylvania. Alpha lord Kimber Langford, Earl of Chasen, can't ignore the possibility. For whoever this unknown princess may be, she's dangerous enough to know about his existence and where to find him. And indeed, it isn't long before Maricara breaches the defenses of Darkfrith and the walls around Kimber's heart. Yet the princess arrives with urgent news: a mysterious serial killer is targeting the entire dra-kon race. To save their kind, Kimber and Mari must ally themselves, body and soul, in a battle that can spell their salvation, their extinction, or both.

Brick, 1926 **The Time Weaver** Shana Abé, 2011-05-31 From award-winning author Shana Abé comes the fifth novel in her paranormal Dra-kon series, featuring a glittering world of supersensual creatures that can shape shift from human to smoke to dragon. Honor Carlisle may have been born into the dra-kon clan, but she's always felt like a stranger to her kin, an intuition that proves true when she discovers that she is a Time Weaver, a creature with the extraordinary ability to transport herself into the past or

future On one of her Weaves into the future Honor encounters the very man she should most avoid Alexandru of the Zaharen prince of a rival tribe of dr kon As the two surrender to a desire that brings the present and future ever closer they also risk fulfilling a terrible prophecy Now Honor and Sandu must place their trust and their lives in each other s hands and their faith in a magical love that could restore order to the dr kon universe or destroy it forever Brick and Clay Record ,1926

Betrayal that will thrill and inspire its readers

Enjoying the Tune of Term: An Emotional Symphony within **Smoke Thief**

In a world taken by displays and the ceaseless chatter of instantaneous interaction, the melodic elegance and mental symphony produced by the written term usually disappear into the backdrop, eclipsed by the relentless sound and distractions that permeate our lives. Nevertheless, set within the pages of **Smoke Thief** a stunning literary prize full of organic emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, that charming masterpiece conducts readers on an emotional journey, well unraveling the concealed songs and profound influence resonating within each carefully crafted phrase. Within the depths of the touching analysis, we shall discover the book is central harmonies, analyze its enthralling publishing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
