Hawker's Secret Projects Christopher Budgen, 2023-12-21

Hawker Aircraft Ltd at Kingston was arguably the most successful and long lasting manufacturer of military aircraft in Great Britain and Europe In its various evolved manifestations Hawker Aircraft Hawker Siddeley Aviation British Aerospace its output of war winning aircraft mainly fighters was unsurpassed From the Hart and Hurricane through the Hunter Harrier and Hawk the company consistently produced aircraft that the UK fighting services wanted But some designs for whatever reason failed to reach flight or were declined by the services With their sometimes advanced aerodynamics and technology these aircraft could have had successful service careers but instead were abandoned their stories failing to reach mainstream consciousness Having not received their just dues the present book seeks to redress this omission The reasons for failure are many and varied often financial or political but in each case the reasons behind the failure of the design are examined In a wide ranging investigation that documents the origins of Hawker Aircraft Ltd and its famous Project Office this work the third in Christopher Budgen s investigation of the inner workings of Hawker Aircraft is a fitting tribute to the many who made the company the success it was

Transport and Its Place in History

David Turner, 2020-06-07 Transport and mobility history is one of the most exciting areas of historical research at the present As its scope expands it entices scholars working in fields as diverse as historical geography management studies sociology industrial archaeology cultural and literary studies ethnography and anthropology as well as those working in various strands of historical research Containing contributions exploring transport and mobility history after 1800 this volume of eclectic chapters shows how new subjects are explored new sources are being encountered considered and used and how increasingly diverse and innovative methodological lenses are applied to both new and well travelled subjects From canals to Concorde from freight to passengers from screen to literature the contents of this book will therefore not only demonstrate the cutting edge of research and deliver valuable new insights into the role and position of transport and mobility in history but it will also evidence the many and varied directions and possibilities that exist for the field s future development

America's Secret

MiG Squadron Gaillard R. Peck, Jr, 2012-07-20 America s Secret MiG Squadrons is the story of a group of incredibly brave military pioneers who put their lives on the line to establish a training program that would prepare the US Air Force for a potential Cold War battle with Soviet aircraft As a F 4 Phantom II pilot in Vietnam Col Peck had been shocked by the technological abilities of Soviet built aircraft and at the poor level of training available to US pilots to aid them in their battles with Soviet MiGs in the skies over Vietnam Working with the support of Gen Hoyt S Vandenberg Jr and under conditions of extreme secrecy the CONSTANT PEG program was launched with Peck as the original Red Eagle This is the fascinating history of the men who trained to fly and maintain covertly obtained MiGs for the first time providing an insider s perspective personal anecdotes and photographs revealing how Peck battled bureaucracy and scepticism to ultimately
