Sir Henry Pottinger First Governor Of Hong Kong:

Sir Henry Pottinger George Pottinger,1997 Hong Kong Island was occupied by Britain in 1841 and formally ceded by the Chinese government under the Treaty of Nanking the following year The Kowloon Peninsula was acquired under the 1860 Peking Convention and the New Territories secured on a ninety nine year lease from 1898 At the end of more than 150 years of British rule this book examines the career of an outstanding imperial servant in order to explain why and how the British came to assume power there at all Sir Henry Pottinger soldier and diplomat was involved in some of the great issues of nineteenth century foreign and military policy As this book shows Pottinger s role in Hong Kong was decisive Without his influence it is most unlikely that the island would have been brought under the Crown It was his decision against advice from London to make Hong Kong the British base and he became the first Governor and Commander in Chief of the colony and its dependants Pottinger created the structure of Hong Kong s administration applying a British system of government to an overwhelmingly Chinese population and initiating its development into a major centre for Sino British trade during the late nineteenth and early twentieth centuries A Biographical Sketch-book of Early Hong Kong G. B. Endacott,2005-01-01 The biographical essays in this book first published in 1962 give a sharp and fascinating picture of some of the Europeans who helped establish the colony of Hong Kong and lived through its early years The History of the Laws and Courts of Hong-kong James William Norton-Kyshe,1898 *The history of the laws and courts of Hongkong, tracing consular jurisdiction in China and Japan and including parliamentary debates, and the rise, progress and successive changes in the various public institutions of the colony from the earliest period to the present time* James William Norton-Kyshe,1898

Tracing Consular Jurisdiction in China and Japan and Including Parliamentary Debates, and the Rise, Progress, and Successive Changes in the Various Public Institutions of the Colony from the Earliest Period to the Present Time. With Illustrations James William Norton-Kyshe,1898 Hong Kong History Man-Kong Wong,Chi-Man Kwong,2021-11-10 This book aims at providing an accessible introduction to and summary of the major themes of Hong Kong history that has been studied in the past decades Each chapter also suggests a number of key historical figures and works that are essential for the understanding of a particular theme However the book is by no means merely a general survey of the recent studies of Hong Kong history it tries to suggest that the best way to approach Hong Kong history is to put it firmly in its international context **The Englishman in China During the Victorian Era, Vol. I (of 2)** Alexander Michie,2020-08-15 Reproduction of the original *The Englishman in China During the Victorian Era Vol I of 2* by Alexander Michie *Education in Hong Kong, Pre-1841 to 1941* Anthony Sweeting,1990-05-01 To reflect the development and history of education in Hong Kong the author has collected a wide range of fascinating and illuminating material from different sources and wherever appropriate has included his own commentaries The book will be a valuable source of reference for educationalists and others who are interested in the development of education in Hong Kong

Pax Britannica B. Gough, 2014-07-28 This book by world expert Barry Gough examines the period of Pax Britannica in the century before World War I Following events of those 100 years the book follows how the British failed to maintain their global hegemony of sea power in the face of continental challenges

Forgotten Souls Patricia Lim, 2011-02-01 The author has recorded the inscriptions on all 8000 graves in the HK Cemetery These by the way will be available in due course as an on line database through the Hong Kong Memory project She has selected from the graves she has recorded a wide range of people whose lives shed light on the nature of society in Hong Kong Inevitably as this was the Colonial cemetery they are predominantly Europeans although there are numerous Chinese and a surprising number of Japanese too She has then sought out information on these people from contemporary newspapers land records court records etc to provide a rich description of life in Hong Kong during the first 100 years approximately from its colonization and a wonderful series of anecdotes Patricia Lim has lived in Hong Kong for more than thirty years and is married to a Chinese She studied at Cambridge University and had a long and happy career teaching English History and Latin in various schools and bringing up a family of three daughters On her retirement from teaching she decided to try to bring the often hard to find heritage of Hong Kong Island Kowloon and the New Territories to the attention of a wider public by publishing two books of walks This book followed on from the second book When gathering material for a walk round the cemeteries of Happy Valley the old silent granite monuments and headstones sparked a keen interest in the lives of the forgotten people who lay buried in Hong Kong Cemetery Patricia Lim turns a tour of the Cemetery into a tantalizing historical journey rediscovering the many individuals whose lives even the most fleeting and obscure reflect significant developments and provide a nuanced understanding of Hong Kong's past A solid database and a riveting good read a winning combination Elizabeth Sinn University of Hong Kong
