Bissinger, 2008-04-03 *Da Capo* is a collection of stories plays poems and journals in which Tom Bissinger takes on his world whether reading Shakespeare to a blind bag lady observing three playwrights comically vying to destroy each other's career amidst the bustle of a Korean deli or meditating on his father in a Sao Paulo swimming pool Part autobiography part story telling part poetic explorations of dream world and part social satire Bissinger conveys the theatricality of so called ordinary existence by pulling his life towards him hungering for the nuggets of mirth and meaning ultimately owning it in original daring prose He takes on the challenge of staying awake in a troubled violent world while addressing his yearning for reverie and revelation

Selected Works of Edgar Wallace Edgar Wallace, 2020-09-28 AMBER sat in his cell at Wellboro gaol softly whistling a little tune and beating time on the floor with his stockinged feet He had pushed his stool near to the corrugated wall and tilted it back so that he was poised on two of its three legs His eyes wandered round the little room critically Spoon and basin on the shelf prison regulations varnished a dull yellow above these bed neatly folded he nodded slowly still whistling Above the bed and a little to the left was a small window of toughened glass admitting daylight but affording by reason of its irregular texture no view of the world without On a shelf over the bed was a Bible a Prayer Book and a dingy library book He made a grimace at the book it was a singularly dull account of a singularly dull lady missionary who had spent twenty years in North Borneo without absorbing more of the atmosphere of that place than that it was very hot and further that native servants could be on occasion very trying Amber was never fortunate with his library books Five years ago when he had first seen the interior of one of His Majesty's gaols he had planned a course of study embracing Political Economy and the Hellenic Drama and had applied for the necessary literature for the prosecution of his studies He had been served out with an elementary Greek grammar and Swiss Family Robinson neither of which was noticeably helpful Fortunately the term of imprisonment ended before he expected but he had amused himself by translating the adventures of the virtuous Swiss into Latin verse though he found little profit in the task and abandoned it During his fourth period of incarceration he made chemistry his long suit but

here again fortune deserted him and no nearer could he get to his reading of the science than to secure the loan of a Squire and a Materia Medica Amber at the time I describe was between twenty eight and thirty years of age a little above medium height well built though he gave you the impression of slightness His hair was a reddish yellow his eyes grey his nose straight his mouth and chin were firm and he was ready to show two rows of white teeth in a smile for he was easily amused The lower part of his face was now unshaven which detracted from his appearance but none the less he was even in the ugly garb of his bondage a singularly good looking young man

Selected Essays on Intermediality by Werner Wolf (1992-2014) Werner Wolf, 2017-11-13 This volume collects twenty two major essays by Werner Wolf published between 1992 and 2014 all of them revised but retaining the original argument They form the core of those seminal writings which have contributed to establishing intermediality as an internationally recognized research field besides providing a by now widely accepted typology of the field and opening intermedial perspectives on areas as varied as narratology metareferentiality and iconicity The essays are presented chronologically under the headings of Theory and Typology Literature Music Relations Transmedial Narratology and Miscellaneous Transmedial Phenomena and cover a wide spectrum of topics of both historical and contemporary relevance ranging from J S Bach Mozart Schubert and Gulda through Sterne Hardy Woolf and Beckett to Jan Steen Hogarth Magritte and comics The volume should be essential reading for scholars of literature music and art history with an interdisciplinary orientation as well as general readers interested in the fascinating interaction of the arts

The Collected Writings of Franz Liszt Janita R. Hall-Swadley, 2016-10-13 The Collected Writings of Franz Liszt Dramaturgical Leaves Richard Wagner completes the second half of Liszt's writings about stage works its composers and music drama In this volume Liszt focuses on the works of his most controversial devotee and son in law Richard Wagner whose music dramas Liszt championed as conductor during his tenure in Weimar Here we see Liszt prove his skill and expertise as a music critic as well He offers a critical analysis of the aesthetic and musical principles that underlie Wagner's operas Tannhäuser Lohengrin and The Flying Dutchman including a thorough discussion of Wagner's Leitmotif system of composition Additionally his findings are substantiated with a plethora of music examples which will satisfy those who wanted greater musical substance from his writings He also foretells the magnitude of Wagner's influence on prosperity in his pamphlet length essay The Rhine's Gold Finally the editor and translator of this volume Janita Hall Swadley provides a unique perspective on these same principles which is based on Wagner's own mysterious diagram of The Philosopher's Stone which was supposed to be included in the original 1863 edition of the composer's important writing Opera and Drama but never made it to publication
