Chipmunk-Girl: Thorpe E. Wright V, 2016-07-28 About Chipmunk Girl Last of the Mole People Many ancient cultures around the world believe that our forefathers came from the stars These include the Aztecs Mayans Egyptians Hindus and the Chinese to name but a few Even in the Middle East the Syrians talk of an alien race known as the Epoch Several Native American tribes believe that man did not descend from the stars but arose from the earth The American Indians tell of races such as the ant people lizard people and the Sasquatch Bigfoot living among humans Lesser known is the legend of the mole people not referring to the homeless people living in the sewers of New York City The Native Americans tell tales of man sized squirrels and of talking chipmunks Go online and you may come across an article written on August 1 2009 in the Weekly World News It tells of a story of mole people living twenty miles beneath the earth twenty miles Were not talking sewers here A tunnel was discovered in Washington State Apparently NASA discovered the tunnel and is doing a cover up President Bush handled the situation though communication was very difficult with the race of mole people for they can only speak an old Navajo dialect Chipmunk Girl Last of the Mole People is a story of the mole people exiling two of their own to the surface world and the sole survivor their daughter Whether this book is just another fun filled fantasy or a story based on actual real life events Ill let you decide But let me ask you this question what if the legends and stories are true what if Thorpe E Wright V author and illustrator tells the Legend of Chipmunk Girl Last of the Mole People Jana Carson, 2000 With the help of some animal friends Kibu a young member of the East African Masai tribe decides to prove that he is not too small to be a mighty lion hunter Clover Blue Eldonna Edwards, 2020-04-28 Set against the backdrop of a commune in 1970s Northern California Clover Blue is a compelling beautifully written story of a young boy s search for identity There are many things twelve year old Clover Blue isn t sure of his exact date of birth his name before he was adopted into the Saffron Freedom Community or who his first parents were What he does know with certainty is that among this close knit nature loving group he is happy Here everyone is family regardless of their disparate backgrounds surfer midwife Grateful Dead groupie Vietnam deserter But despite his loyalty to the commune and its guru like founder Goji Blue grapples with invisible ties toward another family the one he doesn t remember With the urging of his fearless and funny best friend Harmony Clover Blue begins to ask questions For the first time Goji s answers fail to satisfy The passing months bring upheaval to their little clan and another member arrives a beautiful runaway teen named Rain sparking new tensions As secrets slowly unfurl Blue s beliefs about Goji the guidelines that govern their seemingly idyllic lives and the nature of family itself begin to shift With each revelation about a heartbreaking past he never imagined Blue faces a choice between those he s always trusted and an uncertain future where he must risk everything in his quest for the truth Part coming of age tale part love story part mystery Clover Blue tenderly explores an unconventional but no less complex family that resonates with our deep rooted yearning for home The Outlook Lyman Abbott, Hamilton Wright Mabie, Ernest Hamlin Abbott, Francis Rufus Bellamy, 1908 **How a**
